## Principal's Message

Welcome Earl Marriott students and families! We have had a busy start to the school year, as so many aspects of school life get up and running. As we settle into Fall, it is so exciting to have the building full of people eager to learn and get involved in school life. Earl Marriott Secondary is known as a place where people work with energy and dedication, and the pursuit of personal excellence is evident in our classrooms, extra-curricular programs, and athletics.

Thank you to all of the parents and students for their patience as we adjusted to new courses, sorted out bus schedules and got students quickly into classrooms.

This year, our students were well on their way by the end of the first week. There have already been many events and presentations to start off the year. This month, we hosted our Aboriginal Parents at a reception, held the Annual Terry Fox Run, met with our Grade 12 parents to get them started on supporting post-secondary applications and scholarships, held our first Grade 8 French Immersion mini event, had our first Dry Grad Parent meeting, and hosted the French Immersion Parents Information Night. Our hard-working PAC will

hold its first meeting of the year to welcome new families to our school on **Monday Sept. 30th**. Please continue to check our website, [www.surreyschools.ca/earlmarriott](http://www.surreyschools.ca/earlmarriott) regularly for the most current information on events and messages from the school and make sure that we have an email for your family to receive notifications. Families can also get up to date information from **Twitter @EarlMarriottSec**, and by **downloading our free App, Mari-time**.

Our **Annual Clubs Day** was held on **Wednesday, September 25th** at lunch. A full list of clubs can be found on our website, and the Daily Announcements can be read on your phone through Mari-Time. The participation in this event is always phenomenal. Students can sign up for activities in everything from technology, robotics, physical activity, social responsibility, academic and environmental clubs. It is wonderful that so many of our students want to participate in extracurricular activities and so many staff are able to give their time in support. We believe that participation in extra-curricular activities supports students in their full school experience. Thank you to our Student Council for hosting this event. The next Big School-wide Event on the school calendar is the **Hallowe'en Fashion Show, Oct. 31<sup>st</sup>**, a great tradition at EMS. In addition, our Fall Athletics program is going strong, and a full roster of teams at every level are playing for Earl Marriott this season.

## Upcoming in October

- 1 Orange Shirt Day**
- 8 Photo Retakes**
- 10 Grad Boat Cruise**
- 14 Thanksgiving—  
no classes**
- 17 Interim Report Card Published on MyEd**
- 23 Early Dismissal—1:45**
- 23 Parent/Teacher Conferences**
- 23 UBC Night**
- 25 Non-Instructional Day**
- 28 PAC Meeting 7:00 pm**
- 28 - Nov 1 Grad Spirit Week**

This year we will celebrate over 400 graduates. I want to thank our Grade 12's for the maturity they have already demonstrated this year in becoming active around the school. Our GPS (Scholarship and Post-Secondary Information meetings) have already begun in the Career Center every month, with the first meeting being standing room only. Grads and Parents can find Graduation information on the website under the Parents' tab. Our **Grad** committee is already very active and the first grad event, **The Mariner's Game**, took place on Friday, Sept. 27th. Grads have many events to note in the calendar before the Christmas break, the Boat Cruise is scheduled for Oct. 10<sup>th</sup>, UBC will be visiting our school the evening of October 23<sup>rd</sup>, and the first big fundraiser of the year, Pasta Night is on Nov. 20th. Please come out to support our exceptional Grads in their final year.

Parents, our first interim report will be posted in MyEd on **Thursday, October 17th**. This interim provides a snapshot of work habits and attendance to date, and is reflective of a very initial period in the school year. Following the interim, our first Parent conference evening will be on **Oct. 23<sup>rd</sup>**. A sign up for this evening will be posted in October on our website. At any time, if you have questions or concerns about your child's progress, please email your teachers for information. Our staff email list can be found on the EMS website and the Mari-time App.

I am looking forward to a great year!

September 20, 2019

Dear Parents and Guardians,

We live in an era of global climate change. The signs are all around us. While there are large-scale initiatives around the globe, such as a move to electric cars and alternative forms of energy, it is clear that our efforts are insufficient. It now must be our children who will be the ones to address the issues, to formulate resolutions, and to find the will and dedication to address the complex problems facing our planet. Such will and dedication requires a call to action.

Inspired by Swedish teenager Greta Thunberg, rallies are being arranged around North America and these rallies, dubbed Global Climate Strike, are timed to coincide with the United Nations Climate Action Summit in New York in the coming week. Many advocates and groups are communicating under the hashtag #FridaysForFuture and are asking for people specifically to participate in rallies on September 27<sup>th</sup>, when Greta is intending to participate in the rally in Montreal. There are other events planned across Canada.

Climate change and environmental issues are deeply embedded in the BC curriculum. The teachers who collaborated in writing the curriculum did so with full awareness of the challenges ahead. Educators care deeply about these issues and it is very common – from student leadership initiatives, science fair presentations, community gardens, the numerous recycling efforts and many other initiatives – to see how schools embrace the issues related to our planet and the environment every day.

Our Board of Education has always placed a priority on environmental sustainability. Whether it's through sponsoring programs like Surrey's Salmon Habitat Restoration Program or through offering a choice program at our EKOLogy environmental school, our Board believes in the need to care for our planet and in the power of education to shape our future. Our Board also believes strongly that student voice and engagement is valued and again, whether it's in the classroom, at the school or district level, that voice needs to be heard. In schools and classrooms across the district next week, I am certain that climate change will be a topic of many lessons and activities and this is all part of engaging our youth in such an important issue that impacts us all.

Many jurisdictions across Canada are making statements about the rallies and potential student participation. In these statements, districts are reaffirming the priority of student safety. In Surrey, if parents make a choice to excuse their children from school on Friday, September 27<sup>th</sup>, the district will follow our normal routines of marking students as "excused" for the day. We are also asking our schools to ensure that if any students are excused by their parents for that day, they will be provided the opportunity to make up any missed work or tests without penalty. First and foremost, students would want to speak with their teachers about missing school.

LEADERSHIP IN LEARNING

Page 2  
September 20, 2019

We encourage you to discuss this topic and this global movement with your children. Climate change is real and is a critical issue for our future. This letter is to ensure that parents are informed and to know that we want to place the responsibility for a decision to participate or not in these rallies where it belongs, which is in the hands of our parents with their children. Student advocacy and engagement in civic and global issues is a key to our future. Our vision for learning includes students caring for self, others and society and if we are to accomplish this, it must be done together.

Sincerely,

Jordan Tinney

# BCTELA

BC Teachers of English Language Arts

Thank you to all the EMS writers who submitted their work into the annual BC Teachers of English Language Arts contest in the spring (BCTELA). Winners are chosen from across BC, and published anthologies will be sent out shortly to all winners and public schools in BC. Our winners for 2019 are as follows: Orla M., Harshmeet C., Camryn T., Keith R. and Maddy R. Orla M. has been chosen as one of two student winners across BC to open the BCTELA conference during our October Pro-D day by reading her poem, "Blue". Congratulations, EMS writers!

#### FRIM GRADE 8 RETREAT :

September 19th, the "on site retreat" for the grade 8 French Immersion students offered four activities. Students participated in theatrical improvisation ice breakers, completed a school based Treasure hunt and also learned about the Cen'alien welcome posts in the Earl Marriott foyer. We recognise Zac McKenna who danced in full regalia for our students. Finally, our grade 8's had a cultural moment watching a video about bilingualism. They finished the event with a taste of corn to honour the tradition of the Épluchette de blé d'Inde.

#### CULTURAL COMPONENTS :

We are looking forward to cultural events to complete the academics of immersion. In October senior students are invited to an evening of Cirque du Soleil and a visit from "Big Red's Poutine". As the semester continues, you should hear about an opportunity to taste crêpes and a drumming workshop. There will be a walking field trip to a local theatre. Keep your ears and eyes to upcoming announcements.

#### IN SCHOOL TUTORING SUPPORT :

We are pleased to promote the lunch time "Pouvoir d'Immersion" support sessions which are up and available to all learners. M Gill is located on the second floor, room 220. He is happy to help; students are encouraged to bring a friend and lunch. A great place to work and learn and get help.

TRAVEL WITH US :

Save the date!! October 8th there will be an informational meeting about our department's next trip to France. Senior students in grade 10, 11 and 12 interested in this opportunity should plan to attend and meet with CSLI director, Paz Rabago. The voyage is during Spring Break 2021. Find out more and reserve your spot.

DELF

Grade 12 students choosing to participate in the international language assessment, DELF have submitted their applications. The exam takes place during the time frame November 25 to December 4, 2019. Questions can be directed to Madame Hare.

# THE TERRY FOX for cancer research RUN

Thank you to everyone who participated in the Terry Fox run on Thursday. Together we raised just over \$3000 for the Terry Fox Foundation, one of the highest totals in recent years. This fundraiser was a huge success today and hopefully everyone found some enjoyment in the school wide event!

Huge shout out to the Rec Leadership class past and present for making this event bigger and better.

Cops for Cancer ride stopped by to present the Leadership class and school community a plaque for our over \$900 donation last year with our Throw and Kick for Cancer fundraiser!

Orange Shirt Day will be held on Tuesday, October 1st.

Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, BC, Canada, in May 2013. It grew out of *Phyllis' story* of having her shiny new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually.

The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for anti-racism and anti-bullying policies for the coming school year. It also gives teachers time to plan events that will include children, as we want to ensure that we are passing the story and learning on to the next generations.

*Orange Shirt Day* is also an opportunity for First Nations, local governments, schools and communities to come together in the spirit of reconciliation and hope for generations of children to come.

# UPCOMING TRIPS

## This year in the Visual Arts Department:

We are hosting a trip to **Barcelona Spain and Florence Italy this spring break**. There is still room for students who wish to be a part of this fabulous experience. Students will stay with Spanish and Italian parents while in these cities and chaperoned to sites like Michelangelo's Statue of David during the day by their teachers and guides. No city to city and hotel to hotel bustle. We immerse ourselves in the culture, history, arts and architecture of each city. While on the trip we take day tours to various sites such as Rome and the famous museums of Florence like the Uffizi Gallery. In Barcelona students will have morning lessons in Spanish which they will practice during the day. If this interests you, see Ms. VanWeerden, Mr. Ferguson or Mrs. Manning for more information and a brochure with an application form.
