

Ocean Cliff Elementary PAC Presents:
PJ's and Pancakes
Thursday December 19th

The PAC Elves have been preparing to serve pancakes and setting up fun activities! We could use some extra helpers to make sure this is an extra special event for the kids! If you have an hour to spare and want to be part of our celebration check out the link below and sign up to spread some holiday cheer!

Students will be brought to the gym in groups by grade. They will be served pancakes, oranges, hot chocolate and participate in craft stations including colouring, card making, sugar cookie decorating, and a visit with Santa!

Don't forget to bring your reusable travel mug for hot chocolate!

As students will be eating at different times (see schedule below), please plan breakfast or a snack at home to ensure no one is hungry while they wait!
