Principal's Message

It is hard to believe that we are heading into the final month of this school year. Once again, I am so proud of the students of Earl Marriott and the dedication they show to their on-line studies and to their school community. I hope that those of you who need the support with on-line learning have set appointments with your teachers to come in and receive face-to-face help. **Attached to this newsletter is the bell schedule for 2020/21, District Calendar and our fee schedule for next year.** All events are tentative as we plan for a different start to the school year in September. The year-long calendar will be available in June, so that families can plan for non-instructional days and holidays throughout the year.

Students in all grades will be in full session until Friday, June 19th, both on-line and in scheduled face-to-face instructional support blocks. The week of June 22nd – 26th is scheduled for Completion Days and final tasks. All Provincial Assessments have been cancelled for the end of this year. Our final report card will be published on Thursday, June 25th.

Students can schedule face-to-face classes through emsstudentappointments.net.

Please check out more information on our web story.

One of our biggest highlight this month was the **Virtual Commencement Ceremony on May 27th**. Over 380 students crossed the stage at Peace Portal Alliance to receive their school diploma, and to acknowledge the receipt of hundreds of thousands dollars in scholarship money from generous sponsors, and post-secondary entrance awards. Congratulations to Joshua Seto, Valedictorian and Ulysses Award recipient. The local community and District Scholarships are still being determined, and a full list of scholarship winners will be sent out to all Grads as an insert to their Commencement Program. This was a truly special evening, which could not have taken place without the generous donation of time and effort from Peace Portal Alliance, and the use of their facility and grounds. Thank you so much to their amazing team!

June will be the final month of high school for many of our students, as they head off to new challenges after Graduation. It has been a very unusual end to their Grad year, and they have shown tremendous courage and resiliency in finishing all of their courses on-line. The graduates of 2020 have been a wonderful group and will be greatly missed by the staff and students of Earl Marriott. We would like to take an opportunity to thank all of the parents and families who will also be leaving our school community as their children graduate. **We truly enjoyed celebrating your achievements at Commencement on May 27th, and we wish all of the students the best as they move on to their next adventure. Once a Mariner, always a Mariner!**

Our PAC will be holding their final meeting of the year on Monday, June 15th. This hard-working group of parents are very supportive of activities and events in the school, and have provided wisdom and experience to me in my role as Principal of EMS. I would like to thank our new PAC Chair, Mr. DJ Craig and Vice Chair Mr. Andrew Homeyer for all of their work this year on behalf of the students, and to all the parents on the PAC Executive for their time and energy. Thank you also to the many PAC members who have spent years working on behalf of the students and parents of the school, and who are now 'graduating' with their children. We will miss your wisdom and experience. The EMS PAC is welcoming any new participants for September. PAC meetings, which are held on the last Monday of each month, are an excellent way to become connected with initiatives and programs in our school.

We encourage everyone to keep working with their teachers on-line until the last week in June. The finish line is in sight, so let's give it everything we have.

Sincerely,

Claudine Davies

Proud Principal of Earl Marriott Secondary
