Students engage in outdoor experiences that integrate BC's curriculum with children's innate curiosity through emergent, inquiry-based, and place-based learning. Outdoor experiences embrace First People's principles of learning and connects children to the unique natural space on which our school sits.

Students work together as a team of learners, both inside and outside the classroom, to develop social and emotional skills and foster positive relationships.

INTER-A

8-12

Students entering grade 8 are encouraged to apply to the Inter-A Program. The program provides opportunities for high school students to participate in collaborative learning, community volunteering, and leadership development. Students are often attracted to Inter-A because of its emphasis on creativity, teamwork, and public speaking. Although students in the program will take all their academic classes with the other students in the Inter-A program, sometimes in multiage classrooms, they are still very much a part of the Queen Elizabeth Secondary family. The program currently admits students into grade 8 for a two-year program. Students may also apply for admission into the grade 10-12 program.
