## *Principal's Message*

The school year of 2020-2021 has brought many moments of accomplishment for our students. I am constantly in awe of the many ways that Earl Marriott students demonstrate their personal learning and achievement on a daily basis. This year, with the changes to full day in school instruction and the Quarter system, our entire community worked to continue their learning through on-line platforms and technology supports. I am thankful for all of the efforts and determination shown by the staff, students and parents of Earl Marriott. Your tenacity kept things moving forward, and we are now celebrating the graduation of our Grade 12's and looking forward to welcoming our new Grade 8's to the school.

As we look towards the fall, and take the best information we have to date, we are planning for a gradual re-opening to full instruction at school. As the province moves through stages, and the Provincial Health Officer guides the Ministry, we hope to hear even more information about school opening in September. The current plan is to open the school in September with full face-to-face instruction for all grades in the quarter system. Please know that we are preparing for all possibilities and anticipating all changes. If we hear the good news this summer that we can open fully, and switch to Semesters, we will be ready. We can look forward to clubs, events, athletics and even lockers in the new year! Please watch for announcements further into the summer regarding any changes in our schedule.

I want to say how proud I am of the graduates of Earl Marriott Secondary. As seen at our Commencement, the Grade 12 students of 2021 have stood out for their commitment to the school, and their service to the teams, clubs and programs that make up our community. This has been a very difficult year for our graduates, as they were not able to celebrate with all of the activities that typically make up the Grade 12 year. We want to thank them for their patience and determination this year and we wish them all the best as they move forward to new schools and opportunities. I would like to thank the Commencement Committee for all of the work that went into supporting the preparations for our Commencement Ceremony, and, in particular, to Ms. Bakgaard, Ms. Speechley and Ms. Beveridge for overseeing and organizing the event. Our thanks goes out to Peace Portal Alliance, who provided us with a venue and technology to allow for a Live streamed event. Thank you also to Ms. Canino and the Grad Council team who found a way to keep the Duke of Earl alive for 2021.

I would like to thank all of the parents on our PAC for volunteering their time to our school, in particular our executive committee for their support of our community during the school suspension period and through this year of change. We are truly grateful for their service to the school, advocacy in the community, and their focus on supporting all of the students and families. We will be saying good-bye to many of our parents, as they move with their children to Grandview Secondary, and I would like to thank them and wish them all the best in the upcoming year. They will be missed. I encourage everyone to come out to the first September PAC meeting, or join us on-line, and be part of the discussion and decision-making process in the 2021/22 school year.

At this time of year, and particularly in this year of downsizing, we say good-bye to the teachers who were with us for this school year and are moving on to new positions in the District: Mr. Campbell, Ms. Jenkins, Mr. Ewacha, Ms. Liang, Ms. Pineda-Klenk, Ms. Dennill, Ms. Sidhu, Ms. Kidwell, Ms. Wilkie, Ms. McDougal, Ms. Knapp, Ms. Brown, Ms. Kvam, Mr. Shiels, Ms. S. Gill, Ms. Ginther, Ms. Rai, Ms. Kaniah, Mr. Harnett, Ms. K. Clark, Ms. Wahl, Mr. Beveridge, Mr. Kavanagh, Ms. Bigelow, Mr. Dhaliwal, Ms. Ho, Ms. Khan, Ms. A. Gill, Mr. Pawelchak, Ms. Perizzolo, Ms. Tancowny, Ms. Goordyal, Mr. Bellet, Mr. Sigouin, Mr. Manhas, and Ms. Cox. We are sad to say good-bye, but wish them all the best in their new endeavors. Hopefully, we will see many of them return in future.

We are very sad to say good-bye to two outstanding teachers, who will be retiring this June. Mr. MacKay-Dunn and Mr. Rebselj have dedicated incredible time and energy to their focus areas, and shared their passions with their students at EMS for many years. Mr. MacKay-Dunn has been a pillar of the Aboriginal Program in our school, and has supported the Annual Pow Wow, overseen trips to Haida Gwaii, and created partnerships with artists and elders who have enriched our programs. He is also a beloved football coach and encouraged many of our students to follow this sport. Mr. Rebselj is a strong advocate for the French Immersion program in our school. For many years, he organized the French exchange program to Quebec, so that our students could have this cultural experience. He is also our favorite photographer and has captured all of the best moments of the Mariners over the years. They will both be profoundly missed in September.

We are also saying good-bye to two of our Admin team. Ms. Farquhar was with us for a short while, and is going to take on a new position as Principal of L.A. Matheson. Mr. Cowan is going to be moving to Grandview Secondary along with many of our students, so you will be pleased to see a friendly face in your new school. We would like to welcome Mr. Haffner to our Administration team for 2021-2022.

And the biggest good-bye of all: we will be seeing many of our students for the last time this week, as they will move on to Grandview in September. You will be missed by all of your teachers, the staff, and the students of Earl Marriott, and we are glad that a part of your high school journey was spent with us. We wish you all the best in your new school, and hope that you have taken some of your Mariner pride and your school spirit with you. Take care Mariners, we will see you again!

In this newsletter, you will find important information on final report cards, summer office hours, the upcoming September calendar, and more. **Students will be able to view their new timetables on MyEdBC in the last week of summer, and our August School Newsletter will be posted online during the week of August 30th.** Please make sure that we have a current home address for your family and check online for any recent news.

I wish all of you and your families a wonderful summer rest. I am looking forward to working with all of you in the new school year.

Sincerely,

Claudine Davies

Proud Principal of Earl Marriott Secondary

***A message from the Honourable  
Jennifer Whiteside, Minister of Education***

Dear parents and caregivers:

As we approach the end of an extraordinary school year and before summer break begins, I wanted to extend my deep appreciation to you on behalf of our government.

While educators and school leaders faced unprecedented obstacles in keeping schools open and safe – we know you also went above and beyond at home to ensure your children felt supported. You played a vital role in our monumental collective efforts to ensure children could maintain routines, stay on top of schoolwork, and remain connected to friends, educators, and social supports.

I would also like to acknowledge the parents and caregivers whose children could not attend school in person because of the pandemic. With your children enrolled in transitional or online programs, you stepped up to assist with learning and supported your children in new ways.

Whether in school or at home, every family in B.C. faced unique challenges. And students will benefit for years to come from the sacrifices we made this school year.

A brighter future is clearly on the horizon with the Province's vaccine rollout well underway. Getting vaccinated not only helps you, but it also helps school communities and communities at large. With strong participation in vaccinations, we expect a near-normal return to school in the fall.

We will continue to monitor COVID activity over the summer break and rely on guidance from the public health experts and all education partners as we plan for September. We will update you on those plans later in August.

Until then; have a safe, healthy, and happy summer with family and loved ones.

Thank you again, and we will see you and your children in September!

Sincerely,

A handwritten signature in cursive script, appearing to read "Jennifer Whiteside".

Ministry of Education COVID-19 Student Survey for Grade 10-12 is now OPEN

The Ministry of Education's Analytics team wants to hear from all **grade 10 - 12 students** about the educational impact of COVID-19, to better understand and support those most impacted by the disruption to in-class learning over the past Spring.

The COVID-19 Student Survey will be open from June 19<sup>th</sup> throughout the month of July and will be available in both English and French. The survey is intended to provide the Ministry direct information about the impact of the COVID-19 disruption to in-class learning on students' studies and will be aggregated into a larger report on COVID-19 related outcomes later in the year.

Zade Cawley, Johnathon Thompson, Darryl Johnson, Hannah Leeder and Susan Twolan are just a few of the amazing team members at Save on Foods that made our partnership successful this year. Thank you so much Save on Foods for your support, we look forward to continuing our relationship in the new school year!

Thank you to Glenn Brooks and Telus for donating \$1000 for our vulnerable students for next year!
