Principal's Message

October is a month that flies by in any high school, and Earl Marriott Secondary is no exception. It is the month when we dig into all of the course work and activities that we have planned for the year, and we set goals and timelines for everything we want to accomplish by the end of the semester. The students of Earl Marriott are focused on their learning and are also busy planning activities and events to make our school fun and engaging for everyone. The next few weeks we will focus on midterm projects and post-secondary applications, but also on extra-curricular activities and fall sports. One of the best ways for students to get the most out of their high school years is by joining a club or team sport, and we are thrilled that our activities are back for students to enjoy. Earl Marriott has over 25 clubs that are running this year, and many of our teams have been active at tournaments and races around the Lower Mainland.

Parents should have received through MyEd the first **interim reports** for Semester One. This first interim is an early indicator of work habits that are being demonstrated in the classroom. The interim may not necessarily reflect an established work habit, but it can be used as an early indication of attendance concerns or areas in need of improvement. Many parents attended a virtual Parent Teacher conference on Oct. 20th, to follow up with questions and gather more information to support their child. If you were unable to make an appointment and would like to speak to one or more of the teachers, please send an email request. **Our first formal report for the year will be published on Thursday, November 25th.**

Upcoming in November

- 1-5 Provincial Assessments
- 10 Remembrance Day Ceremonies
- 11 Remembrance Day—no classes
- 12 Non-Instructional Day—no classes
- 18 Early Dismissal 1:52
- 25 Report Cards Published in MyEd
- 29 PAC Meeting

One of the best indicators of student success is class attendance. Our staff believes that consistent attendance is the key to success, and reflects a student's investment in their learning. At the school, we are committing to speaking with students and encouraging them, communicating to parents when there is a concern, and following through with support when needed. Parents can expect phone calls or emails from the school when classes are missed, and contact from the administration when there have been a number of days of unexcused absences. We encourage families to contact the school whenever there is an excused absence, or if there is a concern or question. Thank you for your support in helping us by encouraging your children to attend all classes, and by letting us know when they will be absent due to illness or an appointment. We appreciate that students are staying at home when they are feeling ill, and we will work with them to make up any missed work.

Grade 9 students have been invited to participate in Take Our Kids To Work Day on November 3rd. Information has been sent to all students through their C block classes and can be found on our website under **Careers**. In a typical year, most students do seek out job shadow opportunities in the community or through family. However, given that COVID protocols may make this more difficult, there will be Career information options at school for those who are not going to a work site on that day.

Parents are reminded that the next Professional Day will be on **Friday, November 12th**, following Remembrance Day on Nov. 11th. Plans are well underway for our Remembrance Day Assemblies, both in person and virtual, on Wednesday Nov. 10th, and we look forward to recognizing this solemn and respectful occasion at our school.

I am excited for all of the great activities that are on the calendar for the next month, especially the Hallowe'en Fashion Show on Oct. 29th and Grad Spirit Week. Make sure you have downloaded our school App, Maritime, and joined our school on Twitter for the most up to date information on everything that is happening at the Home of the Mariners.

Sincerely,

Claudine Davies

Dear Neighbour,

Re: Safe Schools Halloween Initiative

As you know, Halloween is approaching. We are writing to request whatever assistance you can provide to help us keep our schools and neighbourhood from being vandalized.

In the last school year, the Surrey School District took close to **\$275,443.34** out of its budget (our taxes) to repair acts of vandalism. This money could have supported our students in many different ways. The Surrey School Board remains focused on reducing this expense.

While we do our best to educate young people to convince them of the senselessness of vandalism, we are also looking for other ways to deter vandalism on our schools and in the area. One approach is to enlist our neighbours' help to watch for anyone "hanging around" our schools, particularly after dark on Halloween.

For many years, the school district has organized patrols of district staff (including trustees) in which small groups take shifts of an hour or two to walk around the grounds of the school. This small effort does a great deal to deter youth from even approaching our schools.

Please help us out by keeping your eyes and ears open to any activity at our schools and don't hesitate to notify us if you notice people milling about. If there is obvious, active vandalism taking place, please immediately notify police by calling 9-1-1. We also welcome your call to a special Surrey School District phone number set-up for Halloween at **778-776-9991** to report any suspicious activity so a security patrol can be dispatched.

School vandalism affects our entire neighbourhood. Defaced walls or damaged property can be seen by everyone. News reports about such activity generate a public perception about our neighbourhood. Vandals allowed to congregate at a school typically spread their activities to neighbouring homes and vehicles. Vandals frequently choose to return and congregate where they have not encountered any deterrents in the past.

Please join us as we demonstrate to vandals that they are not welcome at our schools, or in our neighbourhood!

Thank you for your help.

Dear Parents and Guardians:

Re: Community Youth Activities “Grad Pranks”

As we settle into the new school year, we are reminding parents, guardians, and students of our 2022 graduating class, of the expectations regarding pranks and celebrations.

Celebrating educational milestones is a tradition; however, there have been incidents in the past of unsanctioned activities that have crossed the line from good-natured fun, to criminal activity.

This fall, social media trends have also amplified acts of theft and vandalism in schools across the region. We are asking your help to ensure your son or daughter is aware that unsafe or unlawful activities can have serious, lasting, consequences. Youth who participate in criminal activity could face criminal charges or school sanctions. These sanctions may include exclusion from graduation activities such as commencement ceremonies, suspensions, and can affect students’ eligibility for scholarships and post-secondary admissions.

It is also important for parents and guardians to know they may be held financially responsible for damage caused by their children. Please see the attached excerpt from the *School Act*.

It is important that we work together to ensure that our young people do not take part in, or condone (provoke, encourage, or support):

- *Bullying, cyberbullying, harassment, threat(s) or intimidation;*
- *Violence of any form;*
- *Verbal, physical or sexual harassment or abuse;*
- *Discrimination in any form;*
- *Theft;*
- *Unsafe or dangerous activities;*
- *Vandalism;*
- *Possession or use of intoxicating or banned substances;*
- *Possession or use of weapons (or replica weapons) and explosives.*

We ask that you understand the position of both the district and all our schools in taking the necessary disciplinary steps where appropriate, to ensure the safety and security of our school community.

Over the years, students from the graduating class have planned unsupervised camping trips or other group activities. Sadly, some of these activities have resulted in injuries and even deaths, due to impaired driving, or misadventure. We support your decision to not permit your son or daughter to attend unsupervised events. If you are uncertain about the status of an event, please give the school administration a call.

This letter may feel like a dire warning, however, it is because we want to keep your children safe and successful, that we take this matter so seriously.

Please feel free to contact me if you have any further questions.

Sincerely,
