Principal's Message

Welcome Earl Marriott students and families! We have had a busy start to the school year, as so many aspects of school life get up and running again. Everyone has been so enthusiastic to get things underway, we can see how much our activities and events were missed. As we settle into Fall, it is so exciting to have the building full of people eager to learn and get involved in school life. More than 20 clubs have started up, offering students options for lunchtime activities. These clubs and their meeting times can be found on our website under Extra-Curricular. Earl Marriott Secondary is known as a place where people work with energy and dedication, and the pursuit of personal excellence is evident in our classrooms, extra-curricular programs, and athletics.

Thank you to all of the parents and students for their patience as we adjusted to new courses, worked with the newest COVID protocols, and got students quickly into classrooms. This year, our students were well on their way by the end of the first week. There have already been many events and presentations to start off the year. This month, we hosted our Aboriginal Parents at a reception on Sept. 23rd, and met with our Grade 12

parents on line to get them started on supporting post-secondary applications and scholarships. Please continue to check our website, www.surreyschools.ca/earlmarriott regularly for the most current information on events and messages from the school and make sure that we have an email for your family to receive notifications. Families can also get up to date information from **Twitter @EarlMarriottSec**, and by **downloading our free App, Mari-time**.

This **Thursday, Sept. 30th** we will recognize our first **Truth and Reconciliation Day**. Students and staff are not in attendance on this day, so that they can participate in our local recognition events. In preparation, our Aboriginal Dept and Committee organized a week of curricular activities for all students, art installations, buttons for students, and daily announcements in recognition of Orange Shirt Day. Thank you to our student led Aboriginal Leadership team for their involvement and organization with all of the activities.

Upcoming in October

- 1 Terry Fox Run**
- 6 UBC Night**
- 11 Thanksgiving - no classes**
- 15 Interim Report Card #1 Published on MyEd**
- 20 Photo Retake Day**
- 21 Early Dismissal @ 1:52**
- 21 Parent Teacher Conferences**
- 22 Non-Instructional Day**
- 28 Virtual PAC Meeting 7:00 pm**

This year we will celebrate over 350 graduates. I want to thank our Grade 12's for the maturity they have already demonstrated this year in becoming active around the school, and showing self-direction in learning about post-secondary, scholarship and Grad requirements. Our GPS (Scholarship and Post-Secondary Information meetings) have already begun every month, with the first meeting hosting over 100 students in the Theatre. Grads and Parents can find Graduation information on the website under the Parents' tab, and can also follow @emsscholarships on Instagram, @gradEMS on Twitter, and EMS Scholarships on Microsoft TEAMS.

Parents, our first interim report will be posted in MyEd on **Friday, October 15th**. This interim provides a snapshot of work habits and attendance to date, and is reflective of a very initial period in the school year. Following the interim, our first Parent conference event will be on **Oct. 21st**. We are watching Provincial protocols closely to determine how we can accommodate a face-to-face or Virtual meeting event. Please stay tuned for more information. At any time, if you have questions or concerns about your child's progress, please email your teachers for information. Our staff email list can be found on the EMS website and the Mari-time App.

Our PAC is holding its first meeting of the year on **Monday, Sept. 27th**. We will be meeting again in the Library together at 7:00 pm. We encourage everyone to attend a PAC meeting, and get involved and informed on the events in the school, updates in the District, and our shared goals. Thank you to all those parents who have worked on behalf of the students over the last few years, supporting our Athletics and extra-curricular programs. At our first meeting, both of our Vice Principals, Ms. Occlshaw and Mr. Haffner, will be attending. This is a good opportunity to meet with the Administration, and to welcome Mr. Haffner to our school.

Unfortunately, our school has been victim to the Social Media vandalism challenge. I recognize that this is not the work of the majority of our students, but of a select few. Please read the letter we have included in this newsletter. The cost to repair damage in a school is extensive, and decreases our ability to support other programs.

I am looking forward to a great year! It is so rejuvenating to have all of the students back in the building excited to be here.

Claudine Davies

Proud Principal

Earl Marriott Secondary

Dear Parents/Guardians,

It has come to our attention that students at our school have been participating in a TikTok challenge that targets school property (TikTok is a short-form, video sharing social app).

The challenge encourages students to commit acts of vandalism or theft such as removing soap dispensers, paper towel dispensers and signage from walls, breaking mirrors, or stealing items from school. These acts are then posted on social media.

This challenge may seem like a harmless stunt, but these acts are illegal and could have long-term consequences for students involved.

We urge you to speak to your children and encourage them not to take part in this TikTok challenge. Please also remind your child that once images/video footage are captured and shared online, it becomes extremely difficult to remove them.

It is deeply disappointing these videos are encouraging vandalism and theft at our schools.

We recognize that the vast majority of our students are exceptional role models and continue to support our school community. These acts are not a reflection of our school, and I would like to thank you for your continued support in ensuring this school year is a positive and successful one for all.

Sincerely,

Claudine Davies

Principal

École Earl Marriott

REPLAYIT[®]

PRIVATE PHOTO SUBMISSION

Get your pictures in the yearbook.

The yearbook staff invites students and parents to submit photos for the yearbook. If you've got great photos of school and community events or you and your friends just having fun, we'd like to see them.

Our photographers can't be everywhere. Help us get as many photos as possible to create a terrific book everyone will want to have.

The last day to submit your photos is:

April 1, 2022

SUBMIT YOUR PHOTOS ONLINE

LOG ON TO: images.jostens.com

Enter Login ID:

416356006

- Browse to select the photo(s) you wish to upload, click on "Select My Images."
- Enter information about the photo and provide contact information in case the staff needs additional information.
- Click "Upload Chosen Images."

It's that easy! Submit your photos today!

The yearbook staff will review all photos and determine final yearbook content. We cannot guarantee that all submissions will be used.

Post Secondary Information Sessions

While all Universities are continuing with virtual general information sessions, certain schools will be doing information sessions specifically for Earl Marriott. They will be a mix of virtual and in-person presentations. Here are the Earl Marriott specific sessions booked to date (check EMS Post-Secondary on Teams for time of day and location):

Bishops U	-	Wednesday, September 29
UBC	-	Wednesday, October 6
Kwantlen	-	Wednesday, October 13
U of Guelph	-	Tuesday, October 19
U of Toronto	-	Wednesday, October 20
UVic	-	Monday, October 25
U of Calgary	-	Tuesday, November 16

Career Centre

Science Co-op is working hard this semester. We are doing our best to find employers who are willing to take our students for one of their Work Experience placements. We always find parents can be a great resource for some of our most interesting placements. If you work in a place of business that would be willing to take one of our students for a 3-week placement, we would welcome a phone call or email.

French Immersion

Bonne rentrée 2021.

We've got great "merch" and would like you to know! Just a click away: <https://store.passionsports.ca/emsfrenchimmersion/shop/home>

Encourage your teen and support the presence of Immersion at Earl Marriott, a proud tradition.

We are pleased to have met and learned from the ACPI representatives who promoted future careers where bilingualism is an asset. Our grads have a bright future where language skill is recognised on their résumé.

Looking ahead to the evening of September 28, parents of grade 8 immersion learners are welcome to participate, question and discover the many facets of the programme. For details, contact Mme English or M Pesut. Finally, grade 12 students may choose to partake in the DELF international language exam. Letters of candidature are due October 4 followed by the week of exam sessions which begin November 22. Madame Hare would be happy to answer queries regarding the exam.

Earl Marriott Theatre Company is back!

I am so thrilled to be back and working on live theatre with our creative and dedicated students here in the EMS Theatre Department. We have a very exciting year of LIVE production ahead of us. There are lots of opportunities to audition or to come volunteer to help with ticket sales and other behind-the-scenes jobs. If you have students who would be interested in any of the following, please encourage them to audition and get involved. **One Act Auditions happen next week!**

See Ms. Radcliffe in the theatre if you have questions, or email her at: radcliffe_c@surreyschools.ca

2021-2022 Productions and Plans

One Act Play Festival

This is our longest tradition in the EMS Theatre Company. Our One Act Festival is a collection of short plays directed by and even written by EMS Theatre students. Working with Ms. Radcliffe, selected Grade 12 Theatre students will be casting and producing 4 or 5 delightful short plays featuring students from all grades. Everyone is welcome to audition! The plays will be rehearsed on Tuesdays, Wednesdays and Thursdays from 3pm to 5pm.

The show will run November 30 to December 2, 2021.

- **One Act Festival AUDITIONS:**
- Tuesday, September 28 and Wednesday, September 29
- Sign up for a time outside room 119.
- Prepare to perform a 1 minute, comic monologue to show the directors your best acting skills.

Even if you are not cast, don't be discouraged! Try again for our mainstage production or volunteer to help out.

Mainstage Production

This year, EMS Theatre Company will be producing a full-length play. We are proud to be one of the longest running school theatre companies in Surrey and beyond. Next year's show will mark our 45th year of major theatre productions. That is a milestone to celebrate!

The show is not yet officially announced but it will be in December. Once again, this will be an opportunity for everyone to come out and audition or volunteer to help with. Auditions will likely be held in December and rehearsals will start in January.

More information and details will be forthcoming. Watch for announcements around the school or come see Ms. Radcliffe in the Theatre if you have questions.

Drama Club!

This year, we will be hosting a casual and fun Drama Club on Fridays at lunch. The goal is simply to invite students who are interested in Theatre to come have lunch and connect with each other. We will work on building our EMS Theatre community by playing games, improv and possibly exploring scene work if the group wishes it.

EMS Theatre Clothing

We have EMS Theatre hoodies, t-shirts and masks for sale in the Theatre. See Ms. Radcliffe if you are interested. Hoodies - \$35 Long Sleeve T-Shirts - \$20 T-Shirts - \$15 Masks - \$8

Coaches and Mentors Needed for our *FIRST*[®] Robotics Competition Team

Are you an adult who has a passion for robotics? *FIRST*[®] programs are driven by the involvement of adults who inspire and learn alongside student participants. EMS is looking for a variety of technical and non-technical mentors to mentor the *Tech-Mates*, our

FIRST[®] Robotics Competition Team. The *FIRST*[®] Robotics Competition Team is a team that operates as a cross-grade, extra-curricular team throughout the year with an intense build-season from January through to March. The regional competition is in March 2022.

The mission of *FIRST*[®] is to inspire young people to be science and technology leaders and innovators, by engaging them in exciting mentor-based programs that build science, engineering, and technology skills, that inspire innovation, and that foster well-rounded life capabilities including self-confidence, communication, and leadership.

Mentors and Coaches are individuals from all backgrounds and disciplines who work with students to share their knowledge and guide them through the season. Many Mentors contribute on a weekly basis during competition season, or support the team with subject matter expertise on an as needed basis. Teams may have additional or more specialized roles or a combination of roles as needed. In addition, Mentors help to foster the idea of Gracious Professionalism[®] and have the students do as much of the work as possible.

As a Mentor or Coach of the Tech-Mates *FIRST*[®] Robotics Competition team, you are, through the kids, the key ingredient in the success of our team. The time, responsibility and expertise of a Mentor or Coach will vary but the one constant is that you are bringing something to your team that they need to learn, grow and succeed. *FIRST* is more than just robots,

Who are *FIRST*[®] Mentors and Coaches? Our team members say it best. A Mentor/Coach:

- Is any adult, teaching others what they know
- Brings either technical or non technical expertise to the team
- Provides the opportunity for students to learn directly through experiences
- Begins as a teacher, evolves into a colleague
- Knows that Mentoring and Coaching is about inspiring and guiding
- Provides students the environment to succeed

Sample Mentor/Coach Roles

NON-TECHNICAL:

Project Management Mentor

- Provides an overview of project management concepts for team
- Guides the team throughout the project life cycle

Scholarship Mentor

- Assist to educate students, Mentors and parents regarding scholarship opportunities available to *FIRST* students
- Coordinates applications for student/ Mentor nominations for awards

Marketing Mentor

- Provides a basic overview of Marketing concepts
- Assists students with development and implementation of a Marketing Plan in coordination with the development of a Business Plan

Finance Mentor

- Assist the team in preparing a Business Plan, financial planning/budget for the season
- Organize and assists with fundraising efforts

TECHNICAL:

Robot Programming/Software Engineering Mentor

- Assist team members with writing code to control robot in C++, Java, Robot C or LabVIEW (depending on program)
- Maintains process focus

Electrical Engineer Mentor

- Assist team with wiring the robot's power and signal system
- Assist and instruct the team members in the electrical and electronics systems on the robot

Mechanical Engineer Mentor

- Provides assistance with design and construction of the robot
- Advise students on the safe use of tools and safety procedures

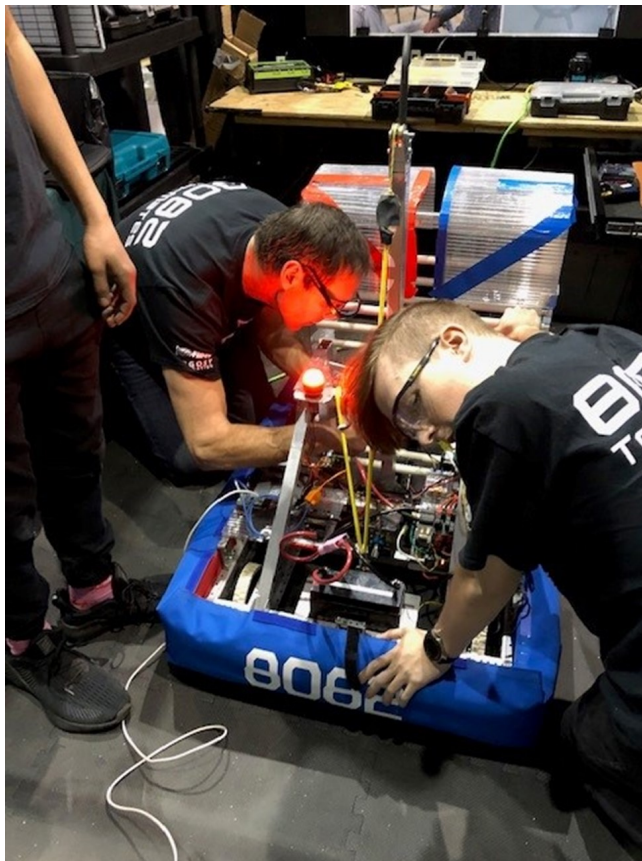

For more information on the

For more information on the *FIRST*[®] Robotics Competition Program please visit

www.firstinspires.org or check out our team website <https://8082techmates.wixsite.com/ems2020>

If you, or someone you know is interested getting involved as a coach or mentor, please fill out the form below .

<https://forms.office.com/r/PsmHUmGwxY>

Every year schools receive requests for financial assistance from parents facing medical, dental or other expenses after a student is injured at school. The school district does not provide accident insurance coverage for student injuries that occur on school property, or during school activities including extracurricular sports. If a student is injured, parents/guardians are responsible for any costs not covered by the Medical Services Plan (MSP) or their employer's health care plan.

We encourage all parents to consider student accident insurance to protect against unexpected surprises in the event of an accident or injury. For convenience Surrey Schools has made available information on two student accident programs, that provide families the opportunity to voluntarily purchase private accident insurance for as little as \$13 for a year. The two programs are through Insure My Kids and Study Insured Student Accident. Both companies offer online purchase and have provided access to applications, claims forms and full plan information. Please visit insuremykids.com or studyinsuredstudentaccident.com for further details.

We are hoping you will assist us in getting this information out to parents. Please post these documents on your schools' website, in the Parents section, and share with your PAC. In addition, this can be announced on your website, your newsletter or on the school app.

[2021 Student Announcement wording](#) – to be posted on School website under Announcements

[2021 Student Newsletter wording](#) – to be posted in the newsletter (you may wish to post the announcement version)
