GENERAL INFORMATION

ANNOUNCEMENTS

Announcements are made each day at the start of second block. As a matter of courtesy, please listen quietly. The announcements will also be displayed on the Sabres Broadcast on our television monitors located throughout the school and are available as notifications on the GP Sabres APP.

ASSEMBLIES

Gatherings require all students to conduct themselves in an orderly manner, and to extend the utmost courtesy to other students, staff, or visitors who may wish to address the audience. We have a reputation as a polite, thoughtful, and enthusiastic audience. Let's maintain that good reputation.

ATHLETICS

Guildford Park has established a record of good sportsmanship and competitive spirit with its athletic program. This can be attributed to the high level of commitment and sportsmanship that we require from all of the athletes who represent our school.

Our teams compete in league play against Surrey schools at the Grade 8 and Junior levels and other schools from different Districts at the senior level. League champions then compete in a South Fraser Championship and the top finishers in the South Fraser Championship move on to the Provincial Championships.

Sports offered are Indoor Soccer, Basketball, Ultimate, Floor Hockey, Handball and Dodge Ball. Each sport is organized into leagues complete with teams, scheduling and playoffs. Students may sign up individually or with a friend, and they will be placed on a team and play on scheduled days.

CAFETERIA

Students are encouraged to eat lunches in the cafeteria. The Guildford Park Cafeteria service is available to students and provides a variety in food selection. We expect that all students conduct themselves in a manner that keeps the lunchroom a place where students can relax and enjoy their lunch in a safe, clean and orderly environment. Cafeteria accepts debit and cash.

CANCELLATION OF SCHOOL INFORMATION

Sometimes extreme weather conditions or other unusual circumstances can cause class cancellations at a school, or district-wide on short notice. In the event of class cancellations, the Surrey School District will post information on its website at www.surreyschools.ca and the GP Sabres APP as well as providing updates to local radio stations.

Weather, power, road and safety conditions can change substantially within a few hours, therefore assessments and decisions must be made as close to school opening as possible for the information to be reliable. However, the district will do its best to communicate the status of schools by 7:00 a.m., when possible.

Even if all schools are open, many schools can face conditions and circumstances unique to a specific neighbourhood.

Therefore, the district encourages and respects the importance of parental decision-making regarding accessing a school, based on parents' own location and individual circumstances, their route to school, and overall attention to safety.

CLUBS

Anime Club	Games Club	Green Team Club
Art Club	Garden Club	Journalism Club
Beading Club	Dance Club	Sabre Council
Culture Club	Grad Club	Science Club
Fitness Club	GP United Club	Student Council

Students interested in starting a club can do so by getting a group together, finding a sponsor teacher and getting the approval of the Administration. If travelling is involved, students would be required to provide their own transportation.

DRESS CODE

Rationale

We, as a school community, are committed to providing students with learning environments that are safe, responsive, and inclusive.

We, as a school community, recognize that decisions about dress reflect individual expression of identity, socio-cultural norms, and economic factors and are intensely personal.

Policy

Students may attend school and school-related functions in dress of their choice under the conditions that their choices demonstrate integrity and respect for themselves and others and that their choices:

1. Conform to established health and safety requirements for the intended activity
2. Do not promote or depict images, language or content related to drugs, alcohol, sex, violence, racism, or discrimination
3. Do not include hats, hoodies, toques, or any non-religious headwear

Consistency

We, as a school community, are charged with the responsibility of ensuring that our students, staff, parents and visitors adhere to this code. To that end, we will ensure:

1. Signage is posted outlining our policy and it is reflected in our school agenda
2. Infractions are addressed consistently and respectfully

EXTRA-CURRICULAR FUNCTIONS

When you attend any school function, even when away from the school, you are expected to demonstrate responsible behavior. School rules and expectations apply to these events, and it is your responsibility to adhere to them. If you are absent on the day of an extra-curricular function, you will not be permitted to participate or attend the function. You will be refunded the money if a ticket has been purchased for the event provided notice was given prior to the events.

INSURANCE: Medical, Dental, School Accidents

Did you know . . . the Surrey School District does not insure expenses for student injuries that happen on school grounds or during school activities? Also, the Medical Services Plan (MSP) is limited and does not cover some charges. Injury-related costs not covered by MSP or group insurance plans may include dental treatment, eyewear, rental of crutches or wheelchairs, splints and casts, physiotherapy and private tutors. Please review the District Information Sheet on *Accidents Happen ... what every parent should know* at www.surreyschools.ca/parent/accident-insurance.html. **For information on inexpensive accident insurance visit www.iapkidsplus.com**

The name of the student making the report will be kept confidential.

LOST AND FOUND

Our Lost and Found is located outside the general office area. Any questions you have should be directed to the Secretarial or Safe Schools staff. Anything found should be brought to the office.

MEDICAL ASSISTANCE

Students who become ill are to check in to the office. The office will attempt to contact parents or have the student rest in the medical room. Students cannot be released unless a parent or guardian is contacted. The school does not provide medication to students.

PARENT ADVISORY COUNCIL (PAC)

The Parents' Advisory Council meets monthly as per the school calendar and is open to any parents of students in the school. The Mission of the Guildford Park Advisory Council is to foster communication between all parents, students, and the community with the goal of improving education for all students.

PARKING

Student parking at Guildford Park is free and students are allowed to park in any unmarked sites in the southwest or southeast lot only. At the beginning of the year all students need to register their vehicle at the school office.

Cars that block fire access or park in handicapped sites will be towed at the owner's expense. Students who do not drive safely around the school property or who do not follow staff directions will lose the privilege of bringing a car to school. **As a courtesy to our neighbours, students are requested not to park on the streets around the school. There is ample parking on school property.**

SCHOLARSHIP OPPORTUNITIES

Guildford Park Scholarships and Bursaries

We are pleased that with the tremendous community support given to us every year, Guildford Park Secondary is able to offer a number of scholarships and bursaries to our graduates.

Most of the scholarships require a commitment by the recipient to pursue further study at college, university, or other post-secondary institutions. The scholarships are paid out when the school or donor is notified that the student has registered at a post-secondary institution.

The initial scholarship meeting takes place in the fall.

District Scholarships and Awards

The Provincial District Scholarship and Awards Program is designed to acknowledge excellence in fields other than academic, by assisting students to further their education in the vocational, technical, and fine arts areas.

Candidates must have achieved an average letter grade over the Grade 12 year of at least C+, have completed graduation requirements, and have attained at least a pass in their final standing in English 12 or Communications 12. Students should also have a concentration of courses in a specialty field such as Business Education, Technology Education, Fine Arts or Home Economics. More information is available at the fall meeting, and from our school counsellors.

Partners36 Scholarship Program

This program is made possible through the generous contributions of individuals, corporations and community service organizations that view scholarships as an investment in the future of our graduates. Students attending a Surrey School District Secondary School or Learning Centre are eligible. These applications will be available in the Spring. Completed applications should be submitted to the scholarship contact in your school. Application forms and details about the Partners36 Scholarship Program are available online at: www.surreyschools.ca/scholarships

Provincial Scholarships and Awards

Grade 12 students entering post-secondary institutions may also be eligible for scholarships, bursaries and awards made available through the provincial government. Information about provincial scholarships is available on the Ministry of Education website: www.bced.gov.bc.ca/awards.

OTHER SCHOLARSHIPS

There are many other opportunities to access financial assistance for post-secondary education. The Surrey School District website provides web links to some at: www.surreyschools.ca/scholarships. *Students should also consult with the Scholarship Committee Head for additional opportunities and information. Students can also regularly check the scholarship Twitter page at twitter.com/GPScholarship for ongoing scholarship postings.*

Obtaining copies of a Transcript

Current and former students of GP may request their transcript through the Student Transcripts Service website www.studenttranscripts.gov.bc.ca

You will require your Personal Education Number (PEN), which is located on your report card or can be obtained by contacting GP.

As a current student, you get for **free (within six months of Graduation)**

- Up to 25 transcripts sent to post-secondary institutions on your behalf
- One transcript sent to a third party (e.g. employer)

STUDY BLOCK (GRADE 12)

Grade 8-11 students must take a full load of 8 courses. Only those Grade 12 students with a heavy academic course load may apply to have a study block. In order to avoid disturbing classes that are in session, students who have a study block must go to the cafeteria or library to study; or sign out at the office if leaving the school grounds. Students are not to be in the halls or at their lockers.

STUDENT SERVICES**Counsellors**

Ms. Missellbrook **Last Names A to De**

Ms. Carlsen **Last Names Df to Li**

Ms. Bartlett **Last Names Lj to Q**

Ms. Adams **Last Names R to Z**

Counselling services are available for all students. Students may discuss their educational, vocational, or personal concerns with a trained counsellor. Students having difficulty planning their programs, making a vocational choice, acquiring adequate study habits, or resolving many of the other problems that might influence their work can receive assistance. Appointments can be made at the School Office by filling out a Request for Counselling Appointment slip.

Course Decisions

Students may seek assistance from the Counselling Office when deciding which program they wish to enter, and how various courses relate to different occupations and/or post-secondary institutions.

Career Counselling

Counsellors can assist the student to explore vocational interests, abilities, and aptitudes, as well as to examine vocational opportunities. Through discussion, students are able to obtain a better understanding of themselves and their suitability for various types of programs and occupations.

Personal Counselling

Students can see a counselor at any time for personal reasons.

Outside Agency Referrals

The counselling office works in close cooperation with other community organizations. Information about other agencies such as Child and Youth Mental Health, Human Resources, Family Services, etc., is available and referrals are made to offices more specifically equipped to assist students.

Parental Concerns

Parents are invited to make contact with the school to discuss any problems related to the progress of the student. The counsellor confers with the parents, if the need arises, by telephone or interview. Parents should feel free to contact the counsellor regarding problems their child may be having.

TEXTBOOKS

Students are responsible to return all textbooks to their teachers in the same condition in which they received them. Please extend courtesy to the students that follow you by keeping your textbooks in good condition. **You should ensure that your name and teacher name are in your textbook in case you lose it! Students will be charged the replacement cost for lost or damaged books.**

VALUABLES

The school cannot accept responsibility for lost or stolen articles. Students are warned not to bring large sums of money or valuables to school and are responsible for the care and safety of all their personal belongings. Students assume all responsibility for valuables left in the P.E. change rooms or lockers. Do not leave valuables in the PE lockers or change rooms.

Personal Devices

We acknowledge that many, if not most, of our students own at least one form of electronic device. We also acknowledge that for **SAFETY** reasons, parents feel strongly about their son/daughter having their cell phones with them at school.

PLEASE NOTE: If it is necessary for a student to have such devices while at school, **the expectation is that the devices should be turned off, and, put away during class time** unless otherwise directed by a teacher. If a communication device goes off at school, the student will be asked to turn it off and/or give it to their teacher for the duration of the class. If a repeated infraction of this occurs, the device may be confiscated and returned to the parent/guardian.

The school cannot be held responsible for lost or stolen cell phones/iPods brought to school – please be responsible with your electronic devices!

ACADEMIC INTEGRITY

Guildford Park has high expectations for the integrity of our students and their work. All student work must be original, sources must be cited appropriately, and credit given to the author(s) of the original work. Student work that is not cited appropriately may be determined to be plagiarized.

Plagiarism is commonly referred to as the passing off of another person's work as one's own, whether deliberate or accidental. Accidental plagiarism is usually the result of poor citation, referencing, poor preparation, or a misunderstanding of plagiarism. Deliberate plagiarism is an attempt to claim another person's work as one's own.

Plagiarism risks your reputation as a student at Guildford Park Secondary. There are a number of ways that you can avoid plagiarism. Be sure to consult your teacher or the teacher-librarian so that you can avoid plagiarism.

Cheating includes

- Presenting others work as your own
- Copying of another students work
- Plagiarism
- Allowing your work to be used by another student

LOITERING

Students are required to respect our neighbours by not loitering on or around any of our neighbours' property. There is to be no loitering on the roads, sidewalks, or lanes around the school.

SKATEBOARDS

For safety purposes, skateboards are not to be used on school property. If you ride one to school, please carry it to your locker and leave it there until you leave at the end of the day.

ATTENDANCE

A close reporting of attendance is an important feature of this school. Your cooperation is necessary in keeping records accurate, and this will prevent you from running into problems. You should be aware of the following:

1. It is your responsibility to attend classes regularly except where illness prevents it, or where other unavoidable causes make attendance impractical. **Wherever possible, medical, dental, and other appointments should be scheduled outside of class time.**

2. It is your responsibility to provide explanations for your absences. Students who are going to be absent are requested to have a parent/guardian phone the school (604-588-7601) before 9:00 a.m. on the day of absence. **NOTE: Students are responsible for making up missed work upon returning to school.**
3. Should you have to miss a class for a field trip, your teacher has a right to know in advance. This is only common courtesy. It is your responsibility to ask permission in advance to attend a field trip.
4. If you need to leave school before the end of the school day, you are expected to sign out at the office. We expect you to provide the office with the parent's or guardian's written permission for early dismissal. If you leave school without permission from the office, you are considered truant.
5. Truancy or irregular attendance may result in:
 - having to make up the time that is missed
 - being placed on attendance probation
 - suspension from school
 - exploring alternate education possibilities
6. **Holidays during the school year** - As extended absences seriously affect the teaching and learning process, we strongly discourage parents from taking students on holidays during the school year. However, when this is absolutely necessary, we request that students and their parents inform the office, pick up an Extended Absence Form from the office and discuss the matter well in advance with their teachers. **Students must understand that they face the fair and logical consequences of missing important schoolwork. Extended absences may result in students missing prescribed learning outcomes and receiving a lower grade, or even failing the course.**

VISITORS

Visitors who have a legitimate educational purpose are welcome in our school. All visitors must report to the office. **Guildford Park Secondary has a no-visitor policy in effect from 7 am to 3:30 pm every day.** Friends or students from other schools should not visit Guildford Park Secondary before, during, or after school, or at lunch. **Do not invite people to meet you at the school. Meet them away from school grounds.**

Visiting Other Schools

No students are to be on or around the property of other schools unless under the direct supervision of a teacher, or unless permission has been obtained prior to going to the school. Students who disrupt the normal operations of another school will be responsible for their actions, to the administration of Guildford Park Secondary.

Responsibility for an effective discipline program is shared among many partners including the district, schools, students, parents/guardians, community groups, social agencies and the RCMP. The Board promotes understanding and acceptance of the interactive roles required to achieve safe and caring schools.

What happens in a student threat assessment?

All threat making behaviour by a student shall be reported to the principal who will activate the protocol for the initial response. Once the team has been activated, interviews may be held with the student(s), the threat maker, parents, and staff to determine the level of risk and develop an appropriate response to the incident. Intervention plans will be developed and shared with parents, staff and students as required.

Can I refuse to participate in a threat assessment process?

It is important for all parties to engage in the process. However, if for some reason there is a reluctance to participate in the process by the threat maker or parent / guardian, the threat assessment process will continue in order to promote a safe and caring learning environment.
