Partners 36 Scholarship Application Process 2022

April 12th Deadline

Surrey Schools is pleased to offer a number of scholarship and bursary opportunities to its graduates, called **Partners 36 Scholarships**. They are made possible through the contributions of individuals, corporations and community service organizations directly to the school district.

Sullivan Heights can put forward 1 application to be considered for each scholarship.

Students interested in applying for a Partners 36 scholarship need to visit https://www.surreyschools.ca/departments/BDEV/Community_Information/scholarships/Pages/default.aspx to find the applications.

Applications must be typed and must include an interim mark printout (early April) from your semester 2 teachers and any additional requested documents for that application.

You can apply for more than 1 scholarship but need supporting documents for each you apply for.

Submit the application + supporting documents and your interim marks printout from your Semester 2 teachers to Ms. Rogerson in the Career Centre before **2pm on Tuesday April 12th**. Please also request your Diploma Verification (Transcript) from the Career Centre and include that in that with each application.

If you have questions about this please stop into the career centre or email Ms. Rogerson rogerson_s@surreyschools.ca
