
Questions to the Board of Education

- A question period of up to thirty minutes may be held following the public board meeting.
- The question period enables community members to ask questions relating to items on the board meeting agenda.
- Written questions may be read by the initiator when invited to speak by the Board chair. Those directing questions to the Board of the podium will identify themselves by giving their names.
- Each participant will be limited to one question, with the option for one follow-up question on the same topic if clarification is necessary.
