### Class Description

#### Acting for Film

Teen (ages 13-19)

Film is a collaborative art form, incorporating acting, sound, lights, cinematography, and directing to tell the story. Understanding how each art form adds its own artistic expression and style is an important part of any film actors’ development and success. This on camera acting class will expand your awareness of the different aspects of film to learn how we, as actors, can explore ways of shifting, adjusting, and connecting to the performance and style to share the story.

#### Instructor - Paul Moniz de Sá

Paul has worked as a professional actor, director, and sound designer in theatres across North America including Bard on the Beach, Touchstone Theatre, The Arts Club, The Vancouver Playhouse, Green Thumb Theatre, Manitoba Theatre Centre, and The National Arts Centre. As an educator, Paul was the director of the Arts Umbrella Senior Theatre Troupe for 20 years and the Artistic Director of the Theatre, Music, & Film at Arts Umbrella for 13 years before stepping down in 2022.
