

We need your support for our biggest fundraiser of the year! Help us reach our goal of \$10,000 while encouraging students to read! Runs from April 4th – April 25th

All money raised goes directly to the school for classroom supplies, field trips, presenters providing diverse in-school academic and athletic education, books, technology and more!

How it works:

- Register your child at the link below to start logging the time that they spend reading.
- Select their teacher's name, followed by "I do not see my reader" to set up their account.
- Share the link with family and friends so they can sponsor your child by making an online donation.
- Update the amount of time that they read so they are eligible for prizes and so their sponsors can cheer them on while they reach their goals!

<https://www.read-a-thon.com/readers/r/DMpfMP?utm=email>

* Gift card prizes for the top 2 readers and the top 2 fundraisers *

* Pizza lunch for the primary and intermediate classes that read the most *

* Prizes for every student who reads 200, 500, 1000 minutes *

* Prizes for every student who raises \$50, \$100, \$250, \$500 *

*** Extra recess if we reach our \$10,000 goal! ***
