

Welcome to the Online Locker Management System for LTSS - 2026-2027

<https://tweeds.lockerassignment.com/>

Lockers will be available for sign-up *after classes begin* to give students time to get familiar with their schedules and determine if they need a locker. Please only sign up if you plan to use your locker regularly throughout the school year.

Locker selection dates:

Grade 8: September 14 @ 3:00 pm

Grade 11: September 15 @ 3:00 pm

Grade 9: September 16 @ 3:00 pm

Grade 12: September 9 @ 3:00 pm

Grade 10: September 16 @ 3:00 pm

Online student accounts have been created for all current students. To log in, you must enter your STUDENT # and your password. Your password is your birthday formatted as YYYYMMDD. For example, if you were born September 5, 2010, your password would be 20100905.

Select a zone of the school in which you would like to have a locker. Note that as the availability of lockers changes, the zone buttons will change from **Yellow** (many lockers available), to **Orange** (less than half of the lockers available), to **Red** (no lockers available).

When a zone is selected, the available lockers will be displayed. A locker entry that is **Green** is an available locker and a locker entry that is **Orange** is not available.

Once you have selected a locker, you will be given the locker combination. You can log in at any time to see your assigned locker and combination.

Note: You cannot change your locker through the online application.

Locker Areas: there are three floors at LTSS. If you go to the locker selection website, you can see maps showing the floors and zones.

Top & Bottom Lockers: Top lockers are odd numbered and bottom lockers are even numbered. Top lockers are prioritized for students in grades 10, 11, and 12.
