

POLICY #5713
DISTRICT COURIER SERVICES

1. INTENT

- 1.1. The Surrey Board of Education believes that an efficient, responsive, cost-effective two-way material handling and distribution system is essential to the support of educational programs and administrative functions.

2. AUTHORITY

- 2.1. The secretary-treasurer, or designate, has been assigned the responsibility for the district's courier service. Services provided will be defined by regulation.
