To the parents/guardians of the students at Bridgeview Elementary,

Hello, my name is Rebecca Taylor and I am the Child and Youth Care Worker here at Bridgeview. I was here for the 2019-2020 school year, went on maternity leave, and now I am happy to be back! I have had the pleasure of meeting some of you, but for those who I have not met I would love to take this opportunity to introduce myself and explain my role as a CCW.

The role of a CCW is to support student's social-emotional learning. While working collaboratively with teachers, counsellors, school administrators and other allied professionals, I support students through the implementation of positive behaviour support plans, social skill development and positive self-image. I run friendship and social groups, support students at recess and lunch, and work in class with students and teachers. My primary goals are to provide support with the learning process, make all students feel comfortable and heard, and to provide additional support to students when needed.

Throughout the year, different children receive my support either in small groups or in class. Please note that all groups are developed in consultation with the classroom teacher and the principal.

If you have any questions please do not hesitate to email Ms. Ellis or myself, or call us directly at the school.
