Dear Latimer Road Families,

We hope this letter finds you well and that you were able to enjoy time with family during the Easter weekend.

As week three of our “new normal” comes to an end we hope the students and families have been able to find a rhythm that works to help them continue the learning with their teacher. We encourage all of you to stay in contact and reach out for help if needed.

Please find the link below to Jordan Tinney’s message that went out to parents, students and teachers on Tuesday.

From our Latimer Road family to yours we wanted to say we miss you and hope you’re staying safe and healthy. As Jordan Tinney stated let’s remember to stay caring and connected. Have a wonderful weekend everyone.

Sincerely,

Susan Yip
