## *Principal's Message*

*April 24<sup>th</sup>, 2020*

We have completed 15 days of our school being closed to face to face instruction. The learning curve has been steep for teachers, parents and students. There have been challenges and we appreciate the ongoing support and understanding as we moved through the past weeks and for those yet to come.

This week was devastating for our Grade 12 students and families. To lose the opportunity to celebrate the past 13 years with friends and families is difficult to understand and accept. It will take time for our Salish community to process this information and turn to alternative ways to acknowledge this important milestone. We will reach out to our Graduates and families to hear what would be meaningful and memorable once we have a clear understanding of the parameters we have to work within.

This weekend, we hope our Grads work on their write-ups for the Yearbook. Currently we are missing over 60 submissions. The yearbook will be one way to celebrate our Grads and we hope everyone participates.

Finally, we thank our parents for reaching out to share with us how things are going. We hear the tension and feel the heartbreak when situations are tough. We also appreciate the funny stories you are sharing while in self-isolation with your teenager. We appreciate when you connect with us. We are here to help. We are all in this together.

Ms. Hammond, Mr. Mahli and Mr. Tait
