

# Welcome to The Den, Bridgeview Bears !!

April 14, 2022

## ... Wrapping up April

### April 27th - Gr. 6 Immunizations!

Fraser Health is returning to Bridgeview to complete the Grade 6 immunizations that were interrupted earlier this year. Only students who did NOT get their shots will be visited.

I just want to leave a message!!!!

### ... a quick note from the office

We understand how frustrating it's been to navigate our new phone system! Our best advice to avoid the automated messages is to dial '0' as soon as the first message kicks in, and then dial '0' immediately again when you hear the second one. We've tested it and that second '0' makes the phone ring directly in the office. If we can't take the call, or if it's outside of office hours, it will still go to voicemail so we will know you called. The phone message is out of our control.

If you love soccer...  
If you love the Whitecaps...

The Vancouver Whitecaps are coming to Bridgeview  
Wednesday, May 18th

Representatives from the Whitecaps will be spending the day with each of our classes to give them some great instruction on basic soccer skills, as well as promoting the fun of physical activity. We are very excited for this wonderful opportunity!

... Go Bears!

## ♥ Welcome to Kindergarten

This is for all of our brand new little people coming to Kindergarten in September! You will be invited to meet Ms. McCaw, our incredible Kindergarten teacher, and join in some fun! If you or someone you know has a child born in 2017 who has not yet registered for Kindergarten, please do so and don't miss out on the opportunity to meet future classmates!

**Date: May 20th at 9:00 am**

## Surrey Children's Festival

We're all going to the Surrey Children's Festival on **May 27th** to watch a performance by **Charlotte Diamond, Fred Penner and Rick Scott.** This fantastic opportunity is being provided by a donor in the community who is buying all the tickets AND providing our bus transportation!  
**We are so very grateful!**
