Early Dismissal / Student-Led Conferences

Dear Bothwell Parents and Guardians,

As we open our school once again to visitors, field trips and year end gatherings, we are excited to welcome you back into our classrooms for the upcoming student-led conferences.

We have an early dismissal on Wednesday, May 4th at 1.35 pm. This provides us with extra time for students, parents and teachers to come together to discuss, plan and celebrate student success. The format for sharing will be different in every class, but the overall goal is for students to reflect on, identify and share learning goals in different subject areas, and highlight their strengths, areas of growth, and their next steps in learning. Through this conversation parents develop a better understanding of what their children are learning and how they can support their child at home.

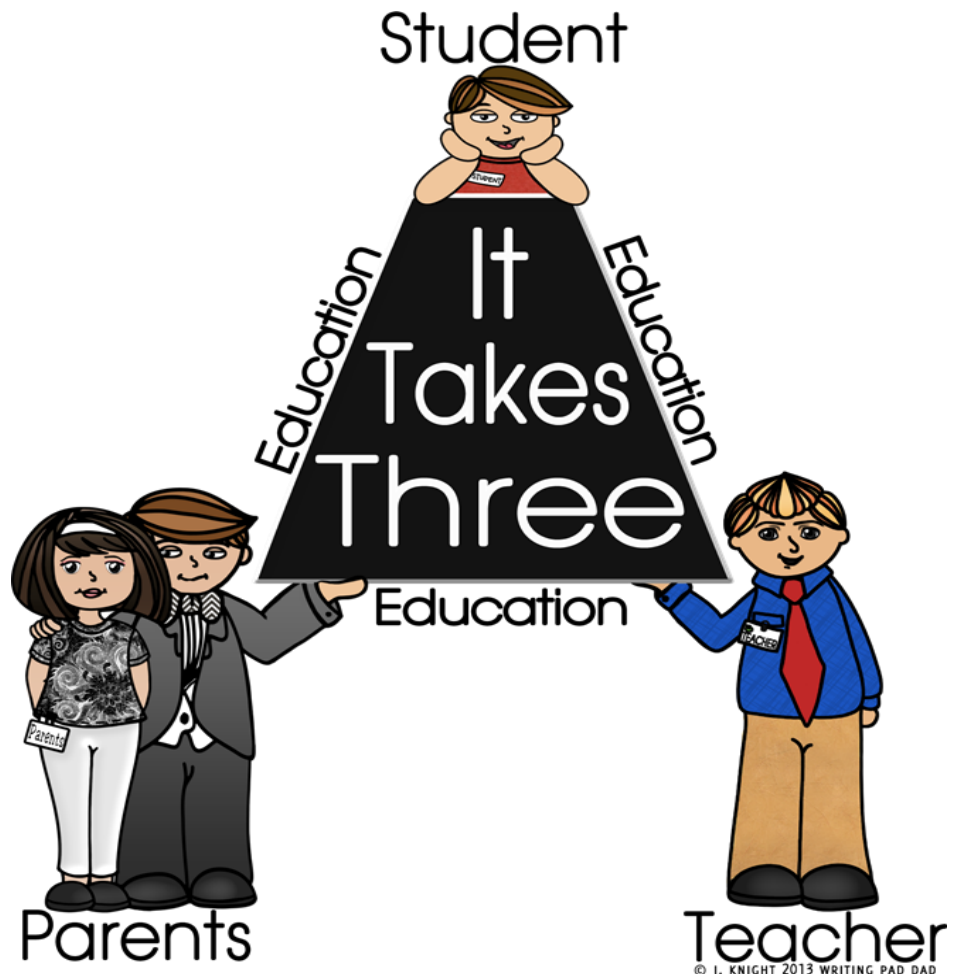

As parents and family members, you are critical partners in helping support your child's learning and growth. We believe the conference process will help us build better communication and a stronger relationship with all our Bothwell families.

If you haven't already, you will soon hear from your child's teacher about the format, sign up times, and what to expect. Some teachers may offer alternate dates and times for conferences, and they will communicate this with you.

We look forward to seeing you at your child's conference next week.

With appreciation,

Ms. Christensen and
Mr. Moxness
