

Welcome to The Den, Bridgeview Bears !!

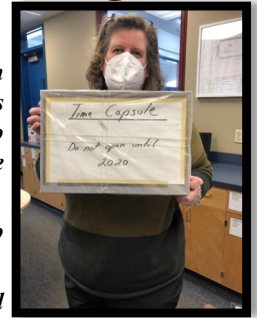

April 5, 2022

Calling all alumni!

The most amazing thing happened last week! Did you know that the original Bridgeview Elementary School was built in 1949? Well, in 1999 this time capsule was created to mark the 50th anniversary of the school and, as you can see, it was not to be opened until 2020! As you know, the school was rebuilt in 2003. A former teacher, Mr. David Clegg, moved to our new Bridgeview building with his classroom in the Spring of that year and then retired; however, he kept the time capsule for safe-keeping. He was going to give it our school in 2020 but, of course, with Covid, he was unable to do so.

Last week, Mr. Clegg came to Bridgeview and presented Ms. Ellis with the time capsule and we are now very excited to prepare to open this treasure!

Did you, or someone you know, attend Bridgeview in 1999? Did you leave anything in the time capsule? If so, we would really love to hear from you! Maybe we will be uncovering YOUR treasure! Please call the office or Ms. Ellis. This is really something to celebrate! Stay tuned to hear how and when we open this box and to see what memories staff and students left for all of us to discover!
