

Cindrich Elementary

13455-90 Avenue, Surrey, BC. V3V 8A2 Ph: 604-590-3211

Dear Cindrich Families,

As we enter our fifth week of learning from home, we are encouraged to see the number of students who are engaging with their assignments and their teachers. All of the staff at Cindrich have been hard at work to ensure your child is being supported in their learning. We recognize the hardship that learning from home has added to your daily lives and we appreciate the work that you, as parents, are putting in. We want to thank you for the amazing work you are doing to support your children!

If your family is struggling with limited technology at home, please get in touch with your classroom teacher as there may be a chance we can support you. Although the curriculum looks different than what you would experience in the face to face classroom, there is still an expectation that students complete all of the work being assigned to them by their teachers. If the completion of this work is not possible for you and your family at this time, please reach out and contact your child's teacher to establish realistic expectations for home learning at this time.

A reminder to please pick up a phone call from a blocked number as this is often a Cindrich Staff member. If you are not comfortable doing so, please email your child's classroom teacher to work out a designated time for them to call to check in.

Please scroll further for information regarding student registration and daycare for essential service workers (Tier 1 and Tier 2). The office continues to be open throughout the week at various times so please feel free to call the school with any questions. Thank you for your continued support during this time. We will keep you updated with any new information as our school year continues.

Please look on page 2 for our special birthday announcements!

Sincerely,
