

## Around Laronde – December 3 2021

### Sibling Kindergarten Registration for September 2022

Priority registration for siblings of students already attending Early French Immersion school starts on December 1, 2021 and ends January 7, 2022.

Please see the letter that was sent out on December 1, 2021 explaining the registration process.

If you have any questions regarding this please call the office.

**Childrens Masks** As a school we are handing out several masks a day to students who forgot theirs at home. This costs money and is not good for the environment. Please kindly remember to make it a part of your child's routine to bring a mask to school just like they bring their lunch, planner and homework.

Thank you for your support on this matter.

### **SchoolLink App: Connecting parents, teachers and students**

The official Surrey School District SchoolLink application provides news, announcements, alerts, and featured stories from schools you subscribe to, as well as from the district office. From school closure reminders to urgent notifications, the app keeps you up to date with the schools that are important to you. The app also includes contact information for each of the schools you choose to follow.

If you wish to come and look thru the lost and found box you are welcome to do so. We just ask that you check in at the office first.

Thank you for your understanding.

**CAPS** A friendly reminder to all of our students that caps are not allowed to be worn in the school building or portable, unless it is a special cap/hat day event. Students can wear their caps outside.

## VOLUNTEERS NEEDED

### VOLUNTEERS NEEDED MONDAY DECEMBER 06

We need approx. 6-8 volunteers to help us set our backdrop/stage for our Christmas concert this year that will be recorded and sent out to all of Laronde families.

If you have some energy to burn and muscles to work out we need you.

Please arrive at 8:45 am if you are available. Much appreciated and thank you in advance.

### INTERNATIONAL TRAVEL

Students, staff and other adults who are not fully vaccinated and have travelled outside of Canada CANNOT attend school for 14 days after arrival, as part of federal requirements. Please see latest info on the government website (link below). We appreciate everyone following these federal regulations to help keep everyone safe. If you plan on travelling please advise the office staff the dates you will be away. Thank you!

<https://travel.gc.ca/travel-covid/travel-restrictions/covid-vaccinated-travellers-entering-canada>

From government website: Unvaccinated and partially vaccinated youth 12 to 17 years of age are subject to the 14-day quarantine, and all testing requirements for pre-entry, arrival and Day-8 tests, whether or not they are accompanied by travellers who qualify as a fully vaccinated traveller.

### SCHOOL PARKING LOT

We are noticing that some parents/guardians are parking their cars in the drop off-pick up zone of the front parking lot to run their children to their Kindergarten or grade one class. We cannot have parents and guardians doing this as it stops the flow of traffic in and out of the parking lot. Please come a bit earlier and park your car in a designated parking spot in the parking lot or on the street where allowed and walk your child(ren) to the school. We appreciate your help keeping our parking lot moving smoothly and safely.

Thank you to all of the families who are dropping off and picking up properly at the front and the back of the school. We know that parking is very challenging around our school. Please make sure that you are following all signage at the front and the back of the school. Mme Niro contacted the City of Surrey last year to review the signage and to get clarification on what the signs mean. We appreciate everyone's help keeping our students safe.

This means that you cannot park here. You can do an active pick up or drop off. That means the student hops out of the car and you drive off OR student is waiting for you, you drive up, they get in and you drive off.

This means that you cannot stop, nor park in this zone at any time, for any reason.

### **Mme Carriou's Grade 6 class would like to thank our amazing Laronde community!**

It was wonderful to see your support of our compassion project by having your children purchase items at our class's craft fair. Not only were we sold out of almost everything, students at Laronde gave additional money to donate to the various charities for which we have been fundraising. We are so proud to announce that, from just the class's craft sale event, we collected a whopping \$1887.00! Not only that, with additional fundraising outside of school, the students have so far raised over \$2609.66. Additionally, we would like to thank everyone who has donated food, toys, blankets, and towels for dogs and cats for the SPCA charity.

Thank you ALL, again, for your amazing support! Laronde, ensemble, nous sommes incroyables!
