FEBRUARY ASSEMBLY

On Friday, February 26 our students viewed our online assembly related to February themes where we focused on kindness, friendships, inclusion, the lunar new year, pink shirt day, anti-bullying and Black history month. Several Laronde students presented during this assembly and our leadership students were involved in sharing information, making announcements and creating bulletin boards to highlight these themes. We are very proud of all of our students and staff for sharing, discussing, reading about, learning about and focusing on these themes and values during this past month. We of course want the values of inclusion, friendship, kindness, equality, equity, and respect to be practiced at all times.

We will send families the link to view the video via email, from the classroom teachers.

TERM 2 COMMUNICATING STUDENT LEARNING (CSL)

On Wed. March 10 some of our students will be bringing home their term 2 CSL documents. Please take the time to review these documents and have a conversation with your child about his/her accomplishments, what he/she is most proud and what he/she would like to continuing working on.

For other students their learning and progress is noted online on FreshGrade. Please take the time to view your child's FreshGrade portfolio and have a conversation with your child about his/her accomplishments, what he/she is most proud and what he/she would like to continuing working on.

Here is a great article on how to give effective praise to our children to help continue to motivate them:

THANK YOU FROM LOCAL CARE HOME

Dear Laronde,

On behalf of the residents and ourselves we want to thank the children for their lovely cards they made us. The one we got says by Reid. We are in LTC and have been shut in for several months not even seeing family. To receive this thoughtful sweet card fills our hearts with happiness. Thank you to the staff and children. We were delighted.
Happy Valentine's.
