SPRING FAIR

It was so wonderful to see so many Laronde families join us at the Spring Fair! What a beautiful and fun afternoon! Many thanks to all of the volunteers who helped make this special event such a success!

CLASS ORGANIZATIONS FOR SEPTEMBER 2019

Soon our school will begin the process of determining class organizations/student placements for the 2018-19 school year. This process will be ongoing until about mid-September. During this time teachers and administrators consider many factors when determining how classes will be organized and where students will be placed. Please know that our staff takes this process very seriously.

Here are some of the many factors we consider:

- class size and composition
- number of available spaces and classes
- students' strengths, needs and learning styles
- students' intellectual, social and emotional development
- maintaining appropriate balance between class size, strengths, and needs
- social dynamics

Each year we do our best to make classes that will meet the learning needs of all students. This is a complex endeavor. If you wish to provide us with additional information about your child for us to consider especially with regards to your child's intellectual, social and/or emotional needs please feel free to email Mme Niro at niro_s@surreyschools.ca with the subject: **class placement information**. Please note that we are unable to give consideration to requests for specific teachers. **Also, please let our office staff know if you plan to move to a different school for September 2018.**
