

Around Laronde – November 5, 2020

REMEMBRANCE DAY ASSEMBLY

We will be having a virtual Remembrance Day Assembly with our students on Tuesday November 10 @ 10:50 am. We will try to record the assembly and send you a link.

VIRTUAL BOOK FAIR

Our school will be hosting a virtual book fair November 16-20. Please check out the link on the front page of our library website. They will have French and English books available for purchase. A big thank you to Mme Montgomery for organizing the book fair.

ECOLE LARONDE STAFF VIDEO

Since we are not able to meet together as a school community the Laronde staff wanted to take this time to say "Bonjour!" to all our families and express how happy we are to be back in school.

RECREATION EQUIPMENT DRIVE

Thank you to the Laronde families who generously donated sports equipment to be used by students at Cindrich Elementary. Mme Maharaj will be very happy to see the amount of donations. Many thanks!

BLENDED LEARNERS

We wanted to extend a welcome to our blended learners who are attending on Tuesday, Wednesday and Thursday afternoons. Please ensure that if your child comes onto the school grounds before the end of the lunch recess (bell at 12:40) and plans to play on the school grounds that he/she comes to the office to sanitize their hands and maintain a 2 metre distance from other students. Thank you kindly for your cooperation in keeping your child and other students safe.

JUST A LITTLE *Reminder*

100% NATURAL

WATER BOTTLES:

Please remember to send your child with a water bottle every day. Students cannot be drinking from the water fountains - it is NOT allowed at this time.

VISITORS: At this time, we cannot have any visitors in our school without prior approval from the school, this is for the safety of all students/staff. We have had a few parents just walk into the school to speak with the office staff or to bring their children in when late. Please do not enter the school.

Instead please go to the office window out front facing the flag pole. We will be happy to chat with you and help you. Thank you kindly for your cooperation and help in keeping everyone

PARKING LOT: A friendly reminder to parents/guardians to please park in designated areas **only** along Laronde Drive otherwise this causes lots of congestion and cars cannot get by.

Please do not block our neighbours driveways. Please drop off - pick up your children at the top part of the hill and ride. We have seen students getting in and out of cars on the ramp/hill into the parking lot - this causes congestion and is dangerous. Please be patient - we are a choice school which means that many families come from outside the school neighbourhood to attend Laronde.
