Principal's Message

Welcome back! I know you are as excited as I am for the new school year. I would like to extend a very warm welcome to our returning students, all students new to the Ecole Kwantlen Park community, and a special welcome to our new grade 8 class. This newsletter is full of information to make the return to school as smooth as possible. It has all the information you will need for the first few weeks of school and especially procedures for opening day September 3, 2019. Please take the time to read this newsletter carefully. We have made some small changes to our opening day and week, so even experienced grade 11's and 12's will need to pay attention to these details. The entire staff at Kwantlen Park Secondary has been working very hard to try and meet all our students' academic needs and choices. I would also like to encourage all students to take advantage of the numerous opportunities to get involved in our school community by joining a team, club and trying new things.

This year we will continue to focus on personalized learning for students and staff in all subject areas. We have a number of new strategies planned to achieve this goal and we hope to continue with incentives for students to maintain high marks and excellent work habits. Furthermore, we have plans to support our incoming grade 8's both academically and socially with 'Grade 8 Support Week' scheduled for the first week of October.

Included with this newsletter is important information about school start-up procedures. In this package you will find:

- Procedure and information for payment of student fees, timetables distribution and locker selection start dates
- Information about student fees and course fees.
- Start Times for the first day of school

Newsletters will be posted to the school website (www.surreyschools.ca/kwantlenpark) on the last Thursday of September, November, January February, April and June. A limited number of printed copies will be available at the office.

On behalf of all the staff at Kwantlen Park, I would like to wish you an enjoyable summer and a huge welcome to everyone. We will see you September 3rd.

Mr. Cross
Principal, Ecole Kwantlen Park Secondary

STUDENT PARKING

Students who wish to bring their cars to school must register them at the school office. A parking pass will be issued. No cost is involved. Students are expected to use caution and good judgment when using their vehicles.

School Closures

Sometimes extreme weather conditions or other unusual circumstances can cause a school closure on short notice. In the event of a potential school closure during the 2016-2017 school year, please monitor the following radio stations:

CKNW (980 AM www.cknw.com)

News 1130 (1130 AM www.news1130.com)

CBC Radio (690 AM www.vancouver.cbc.ca)

Please do not call the radio stations as staff are very busy receiving updates and preparing newscasts.

Surrey School closure information may also be broadcast on the Weather Channel and local TV stations. Whenever possible, the Surrey School District will post such information on its website at www.surreyschools.ca

Attendance & Signing Out

Attendance: Regular attendance is essential for academic success. If students are ill and not attending school for the day we ask that parents/guardians phone the school at 604-588-6934, **before** 8:30 am to notify the office. Please have your child's student # available when reporting an absence. If this is not possible, students should bring a note explaining their absence when they return to school. These notes should be dated and turned in at the office. Parents can also phone the office to request homework for pick up for students who are ill.

Hats and Inappropriate Clothing

Students must dress in a manner that is appropriate for a public school. Writing, pictures, logos and content on clothing items must be appropriate for a public school, and must not include drug, alcohol, violence or gang representation. Midriffs need to be covered, undergarments should not be shown, and students should be properly covered up. Footwear is essential for hygiene and safety.

The school may request that students cover up with more appropriate clothing, or go home to change, if the attire is not appropriate.

Kwantlen Park Secondary School is a **HATS & HOODS OFF** school. This includes baseball caps, toques, headbands, visors and bandanas. This is solely for **safety reasons** as it allows school staff to more effectively identify people who shouldn't be in our school.

Cell Phones

We are asking for the support of parents/guardians and students in making the learning environment at Kwantlen Park Secondary cell phone free during class time. Personal cell phone use in class poses a distraction to not only the user but to others in the class. Teachers will contact parents/guardians if cell phone use during class time becomes an issue with their son/daughter. If cell phone use during class time continues to disrupt the learning environment, parents/guardians may be asked to pick up their son's/daughter's cell phone from the school. Thank you for respecting, and helping to maintain, a positive learning environment for all students and teachers in the classroom.

MISSION STATEMENT

École Kwantlen Park Secondary School is committed to nurturing a community dedicated to citizenship and learning.

ARE YOU MOVING ??
