No student will be denied the ability to participate in any part of the school's educational programs as a result of an inability to pay. On-Line Locker Management and Student Locker Selection

Panorama Ridge Locker Information

Panorama Ridge is pleased to offer our students the ability to go on line and select their own locker. Once selected, students are able to log back in at any time during the year to check their locker number and/or combination if they forget.

Student Instructions

1. Go to locker administration web site for the school, <https://eprss.lockerassignment.com/>
2. Login using your student number as the user id, and your birthdate (yyyymmdd format) as the password.
3. Select a zone of the school in which you would like to have a locker. Note that as the availability of lockers in a zone changes, the zone buttons will change from **GREEN** (many lockers available), to **YELLOW** (over 50% of lockers capacity assigned) to **RED** (no lockers available in zone).
4. When a zone is selected the available lockers will be listed. (It is important to remember that not all lockers in a zone are available to all grade levels.)
5. Select the locker of your choice by clicking on it. Be sure of your choice - once you have chosen a locker, you cannot change it.
6. Once you have selected a locker you will be shown the locker combination. You can login at any time to see your assigned locker and combination.

***Please note: Timeframes for each grade to log in and select a locker are as follows:

Tuesday, August 31: Grade 12s - 12:00pm onward
 Grade 11s - 2:00pm onward

Wednesday, September 1: Grade 10s - 10:00am onward
 Grade 9s - 12:00pm onward

Thursday, September 2: Grade 8s - 12:00pm onward

Locker Security

Each year we have students report items going missing from their lockers. Please talk with your children about keeping their combinations secure. A suggestion is to never give the combination to anyone, even close friends. An additional problem we face is that students sometimes change lockers during the year without notifying the office. **School policy is that no one shares a locker.** Also, please remind your student to **NEVER** bring valuables to school and always leave their lock on their locker. Do not take it home or someone else may take over your locker.

Students are responsible for the care and safety of all their personal belongings. The school does not accept responsibility for lost or stolen items.

Lockers: Conditions of use

1. Students are responsible for the locker assigned to them. It is not to be used by any other person.
2. Only approved locks may be used on student lockers and the combination of the lock must be registered at the office.
3. The locker may only be used for the storage of books, school supplies and equipment, outerwear, school sports equipment and lunches.
4. The locker is to be kept clean and food removed on a regular basis.
5. Students are responsible for cleaning and removing all material from their locker at the end of the year or when they leave the school. Items left in the locker after clean-out will be removed and placed in the lost & found. Unclaimed items are donated at the start of the next school year.
6. No illegal substances, weapons or other prohibited or offensive material may be placed in school lockers.
7. School officials and/or designates may search student lockers at any time and without prior notice in order to ensure compliance with the conditions of use and other school policies and rules.
8. Permission to use the locker may be terminated when a student does not comply with the conditions of use or school policies or rules.

Non-Instructional Days

The following dates have been assigned for Professional Development Days for our teaching staff. School will not be in session on these dates.

Semester 2

Parent Advisory Council (PAC)

We have an active and involved Parent Advisory Council (PAC) at Panorama Ridge Secondary School. The École Panorama Ridge PAC strives to represent the diverse needs within our learning community and contribute to the benefit of all students by:

- providing opportunities to educate and inform parents about the school
- involving parents in volunteer activities
- openly discussing concerns and aspirations of our school

We invite and encourage parents to attend these meetings. It is an opportunity to learn about the school and new programs and to hear guest speakers, as well as to ask questions. Our meetings are scheduled on the following dates*:

September 20
October 18
November 15
January 17

February 28
April 25
May 16

*These dates are subject to change. Details regarding how these meetings will be conducted will be shared when available. Please check the school calendar prior to the scheduled date for any updates.

Attendance & Punctuality

Educational research demonstrates that when parents are involved in their child's education, student success increases. We also know that regular attendance and punctuality are habits that not only contribute to school success, but also are excellent lifelong behaviours. We hope that you will approach this year as a part of a team, along with the administration and teachers at Panorama Ridge to ensure that your son or daughter arrives on time to school and attends all classes. The teachers and administration contribute to improving attendance in the following ways:

- Teachers take daily attendance for each course.
- Our automated phone system calls home each evening to notify parents of a student's recorded absence for one or more classes unexcused.
- Teachers phone parents to notify them of absence concerns.
- The office generates letters that are sent home for students with attendance or late issues.

We hope that parents will contribute to improving attendance by working with their children to ensure their arrival to school on time and attendance to all classes. Often students who are driven to school are late to their first class because of congestion created when many vehicles arrive at the same time. Parents who drop off students can help by planning to arrive well before classes begin. If your son or daughter will be absent from school, or will be arriving late or leaving early, please call our office at 604-595-8890, before 9:00am if possible.

Student Handbook

We are pleased to provide a few highlights from our student handbook for your information:

Dress Code

At École Panorama Ridge Secondary it is important to have an atmosphere that is both safe and respectful. To that end, student clothing is expected to be appropriate for a learning and working environment. The purpose of the school's dress code is not to impede students' style or freedom of expression. However, student attire should not be offensive in any way. Students are required to dress in an acceptable manner suited to the activity in which they are involved.

Inappropriate attire includes (but is not limited to):

- designs/advertising promoting drugs and alcohol
- sexually explicit or suggestive designs
- profanity or violence
- threatening language
- derogatory and/or discriminatory images/language
- beach wear

(Above are only some examples and not an all-inclusive list)

Students not showing good judgment in their choice of clothing will be asked to change or will be sent home to change. Hats and hoodies are not permitted at school for safety and security reasons.

Technology, Valuables & Personal Belongings

Technology in our schools provides a great opportunity for enhancing and improving student learning. However, the misuse of the same technology can also negatively impact the school learning environment. Electronic devices, therefore, must be turned off and put away when requested during instructional time unless authorized by school staff for educational purposes. This policy applies to classrooms, hallways, and other public areas during instructional time. At no time are electronic devices to be used in the office unless authorized by school staff. Furthermore, any photos, audio recordings, or video recordings must have prior authorization from school staff, and permission in advance must be obtained from all participants. Disruptions caused by electronic devices may result in the devices being confiscated and/or classroom discipline and/or school discipline.

To prevent possible loss or theft of personal items:

- Lock your bicycle to the bicycle stand with a good lock.
- Do not bring anything of significant value to school. (e.g. phones, skateboards, etc.)

During P.E. class, items such as watches, jewelry, phones, etc., should be left at home. They should not be left in pockets, or bags and purses in the gym. Theft has occasionally occurred from this area and it is very difficult to supervise while teachers are teaching. Known thefts should be reported to the office immediately. The school is not responsible for any lost or stolen items.

The "**Lost and Found**" is located under the stairs in the multipurpose area. Any found items should be brought to the General Office or given to a P.E. teacher if it was found during P.E.

You can find our complete student handbook on our website—click [HERE](#)

Extracurricular Activities

Extra Curricular activities are a valuable part of the school's educational program. The School Board provides guidelines to ensure that:

- an approval process is in place for extra-curricular activities,
- there is consistency in the formation and operation of extra-curricular activities, and
- consideration is given to the safety and well-being of students involved in extra-curricular activities.

Our school is proud to offer a range of school-based structured organizations for additional school learning. These include many athletic activities and clubs that extend beyond normal school hours and operate under the supervision of a staff member or an approved adult supervisor.

Sports and athletic activities are competitive, individual or team activities which are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Clubs are structured groups of students who come together on a regular basis for a specifically defined and approved purpose.

We anticipate that the following extracurricular activities will be offered during the 2021-2022 school year. The activities offered will be subject to securing an approved sponsor and will be based on the level of student interest. If parents have any questions or concerns please contact the administration at 604-595-8890.

There are three Dry Grad events throughout the year that are organized by the Grade 12 parents. All parents of Grade 12 students are asked to help raise funds and support these important school sanctioned events. Our primary focus is to keep our graduates safe while celebrating this milestone in their lives. At the same time, the graduates will experience many memorable moments to treasure. The first Dry Grad Meeting is tentatively scheduled for **Tuesday, September 14th at 6:30pm**. Please check our website for confirmation and details regarding this first meeting. Let's make this a fun and safe grad year for the 2022 Graduation Class.
