## August 2021

### "Back to School" at Fleetwood Park Secondary

The 2021/2022 school year is almost here! On behalf of the entire staff, I am happy to welcome everyone back to Fleetwood Park Secondary school. We are looking forward to the start of another year of excellence!

To begin, I would like to emphasize to all students, parents and staff that we will continue to very carefully attend to all COVID-19 Guidelines throughout the school year. Our top priority will be to ensure a healthy and safe environment for all students, families and employees. At Fleetwood Park we will monitor all Public Health K-12 Safety guidelines and implement as required.

At the time of writing, we are anticipating a near normal school structure for the Fall. This will include face-to-face instruction with regularly scheduled classes. Please see the bell schedule / school structure for September included in this newsletter. All secondary schools in Surrey will be starting in a **semestered model**. Students will take 4 regular in-school courses at a time over two semesters. We will be ready to start the school year, and we will ensure that all necessary health and safety protocols are in place.

This newsletter contains much information regarding opening day routines, optional fees, the school calendar, medical information, extracurricular opportunities, school photographs and more. Please review carefully in order to make your return to school as smooth as possible. You may also contact the school between now and September 7<sup>th</sup> for additional information. Note: Regular classes will commence on September 8<sup>th</sup>.

- ## Understanding B.C.'s new K-12 Health & Safety Guidelines

Tuesday, August 24, 2021

**Check Up:** Every day, check to see how you are feeling, and stay home if you aren't feeling well. If you have symptoms, get tested.

**Back Up:** Be mindful and considerate of others' personal space. Try to keep your hands to yourself and only play with your friends.

**Wash Up:** Wash or sanitize your hands regularly, including after playing outside, going to the bathroom, when putting on or removing your mask, and before and after eating. Be sure to wash your hands for at least 20 seconds.

**Mask Up:** All K-12 staff and Grade 4-12 students must wear a mask indoors. K-3 students are encouraged to wear a mask. Ensure your mask is clean and dry, is a good fit, and covers your nose and mouth fully. And remember, don't touch your face or play with your mask.

**Vax Up:** If you haven't already, [register to receive your first and second dose of the COVID-19 vaccine](#). Getting vaccinated is the most effective way to reduce infections and transmission of coronavirus.

The B.C. government has announced the [updated Provincial COVID-19 Health & Safety Guidelines for K-12 Settings](#), outlining the protocols that inform the safe operation of our schools this fall.

The [updated guidelines](#) were developed by the provincial government in collaboration with the B.C. Centre for Disease Control, the Office of the Provincial Health Officer and the provincial K-12 education steering committee. They are followed by all school districts in B.C., including Surrey Schools.

Starting Tuesday, Sept. 7, students will return to full-time, in-person learning with various health and safety measures in place.

**As was the case during 2020-21 school year, students and staff are still required to do daily health checks and stay home if they are not feeling well.**

**Wearing masks indoors also remains mandatory for K-12 staff and visitors, and Grade 4-12 students. Students in kindergarten to Grade 3 are encouraged to wear masks.**

Frequent hand washing and sanitization is also recommended, and students and staff are asked to be considerate of others' personal space. Cohorts will no longer be in place.

The new school year marks the return of opportunities for sports, music and other extracurricular activities for students. Schools will continue daily cleaning and disinfecting protocols.

Surrey Schools will continue to work with Fraser Health on the Fraser Health region Rapid Response Team to review school communicable disease plans and support other districts in the Fraser Health region.

Fraser Health will also have the authority to introduce additional regional measures specific to individual schools or the district in instances where community transmission rates are higher.

As we head into another school year, we ask that you continue to follow [B.C.'s health and safety guidelines in school settings](#), adhere to the [B.C. Restart Plan](#) outside of school settings, and if eligible, [get your first and/or second dose of the vaccine](#) as we work together toward a return to normal.

For more information, read the [B.C. government's news release](#), or see the updated [K-12 Education Recovery Plan](#).

## Online Locker Selection Information

Fleetwood Park Secondary uses an online locker selection process. Students are not assigned a locker in homeroom, but instead, can go online and select their own locker. To choose a locker, log into the following website:

<http://fleetwood.lockerassignment.com>

Student accounts have been created for all current students to access the system. To log in, you must enter your **STUDENT #** and your password. Your **STUDENT #** can be found on MyEd BC, Fleetwood Park Go-Card, timetable, an old report card, and on printed school schedules. After entering your **STUDENT #**, you must enter your password. Your password is your birthday. The format of the password is YYYYMMDD, so if you were born Sept 19, 1976, your password would be '19760919'.

Once you have logged in, select a floor and area of the school where you want to have your locker. You may want to pick an area of the school where you have a majority of classes.

If you are new to Fleetwood Park, or are having trouble logging into the system, the system might not have your log-in information or your correct STUDENT# / birth date. If you have tried logging into the system but cannot, please contact the school so that we can update your information and get you logged in. It takes several days for the website to be updated, so patience is necessary! Please contact Ms. Shipley or Mr. Kirincic in the office, if you have any problems with logging in.

Dates that students in each grade can start to access the system for 2021 / 2022 school year:

Grade 12: Monday, September 06 @ 10:00 am  
Grade 11: Tuesday, September 07 @ 10:00 am  
Grade 10: Wednesday, September 08 @ 10:00 am  
Grade 09: Thursday, September 09 @ 10:00 am  
Grade 08: Friday, September 10 @ 10:00 am

- Students are responsible for the locker which is assigned to them and it is not to be used by any other person.
- Lockers are to be kept clean and food removed on a regular basis.
- Lockers should not contain illegal substances, weapons or other prohibited or offensive material

Extra-curricular activities are a valuable part of the school's educational program. Our school is proud to offer a range of school based structured organizations for additional school learning. These include many athletic activities and clubs that extend beyond the normal school hours and operate under the supervision of a staff member.

Sports and athletic activities are competitive, individual or team activities that are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Clubs are structured groups of students who come together on a regular basis for a specifically defined and approved purpose.

School District Policy requires that information regarding clubs be sent to you so that you have the opportunity to approve your son/daughter's involvement in such activities. This is a list of activities in our school, however a current list of clubs and the meeting times will also be updated on the school website.

## Weather-related closures, cancellations & delayed openings

In addition to educating children, schools are expected to provide safe, supervised environments. Any cancellation, closure or delayed school opening has a significant impact on tens of thousands of families. Most cannot arrange alternate childcare when classes are cancelled or schools are closed unexpectedly.

Consequently, schools will not routinely be closed due to snow or other weather conditions unless there is damage or other circumstances (e.g. power outage) at a particular school that makes it impossible to operate safely. **No announcement will be made that schools are open; only cancellations, closures or delayed school openings will be announced.**

- **The district supports individual and family decisions regarding safety.** Student and staff safety are a priority of the school district. Parents/guardians have primary responsibility for their children's safe travel to school and staff members also decide if local conditions may be unsafe. If, for any reason, there are personal concerns about the ability to travel safely to school, other arrangements should be made. It is understood some students travel to school on routes that may be challenging on a snow day; therefore, **no student will be penalized for lack of attendance because of such conditions.** While schools are likely to be kept open, **the decision to attend is the responsibility of each family.** Parents can phone or email the school to notify staff a student won't be attending. **Weather-related student absences will be excused.**
- **Some schools may announce a delayed opening time.** The delayed opening time will be announced on the district website and through the media. The delay would be to allow more time to address potential issues such as a power outage or staff access to the school.
- **The district will do its best to communicate the status of schools beginning at about 7 a.m., when possible.** Weather, power, road and safety conditions can change substantially within a few hours, therefore assessments and decisions are made early in the morning so the information is more reliable.
- **Only closures or delayed school openings will be announced, otherwise, schools are open.**

### Busing

Regular and special needs school bus schedules may face significant changes or cancellation due to weather conditions. Changes/cancellations will be reported through the district website and news media.

### Announcement of closures or delayed openings

In the event of class cancellations or delayed school openings, the Surrey school district will post information on its website at [www.surreyschools.ca](http://www.surreyschools.ca) and provide updates to the following radio stations.

CKNW (980 AM)  
News 1130 (1130 AM)  
CBC Radio (690 AM)  
Red-FM (93.1 FM)

Radio India (1600 AM)  
Radio Punjab (cable/satellite)  
Fairchild Radio (1470 AM)  
CHMB (AM 1320)

Class cancellation/delayed opening information may also be broadcast on some local TV station newscasts and posted online by newspapers. **Please do not call the radio stations** as their employees are very busy receiving updates and preparing newscasts.

**Please do not call the schools and district offices.** Calling schools and district offices is also impractical since staff members are generally not available to answer telephone calls far in advance of regular school opening time and phone lines typically become congested in any event.

## Student Accident Insurance

### Did you know . . .

*Surrey School District does not insure expenses for student injuries that happen on school grounds or during school activities?*

*You are responsible for these expenses as a parent or guardian.*

The Surrey School District and your District Parent Advisory Council provides the opportunity for families to voluntarily purchase private accident insurance through the Kids Plus™ accident program underwritten by Industrial Alliance Pacific Life Insurance Company (IAP).

Kids Plus™ Accident Insurance offers protection against the potentially high costs of serious injury from unexpected accidents and is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

### Accidents can, and do, happen

Kids Plus™ Accident Insurance has a selection of plans to suit most budgets. Benefits include coverage for:

- A full year (September to September), 24 hours a day, whether at school or at home;

- Expenses such as ambulance, physiotherapy, private tutoring, counselling, and much more that are limited or not covered by private or group insurance plans, or provincial health plans;
- Injury-related dental treatment;
- Out-of-province or country emergency medical expenses.

If you change address during the school year, your Kids Plus™ Accident Insurance plan is transferable from school to school, anywhere in Canada.

Insurance premiums range from \$14.50 to \$33.50 per year, depending on the plan selected, and your child is covered all the time, not just while at school. A discounted premium is available for families with 3 or more children.

The insurance agreement will be between you and Industrial Alliance Insurance and Financial Services Inc. and your Kids Plus™ Accident Insurance Policy becomes effective on the date the enrolment application and payment are received by the insurance carrier.

*For more information or to apply online, please visit [www.kidsplus.ca](http://www.kidsplus.ca), or speak with an IAP Kids Plus™ Customer Service Representative at 1-800-556-7411.*

Dear Parent/Guardian,

An important part of our class work this year will involve using Internet-based tools to create and share our learning and to continue building a lifelong digital portfolio. Many tools may require your child to create a personal account, using his/her School District provisioned email account (doe.j@surreyschools.ca). Please note that your child will use Internet-based tools for both classroom activities and homework assignments. Students will continue to hold accounts after our coursework is completed.

Your written consent to your child's use of Internet-based tools is required by British Columbia's *Freedom of Information and Protection of Privacy Act (FIPPA)*.

If you choose not to provide your consent to your child's use of Internet-based tools, your child will not be penalized in any way and alternate activities will be provided, as appropriate.

It is important to be aware that the majority of the Internet-based tools are online services hosted outside of British Columbia and possibly Canada. While stored outside the country, information in your child's accounts may be subject to the laws of foreign jurisdictions, including, in the United States, the USA Patriot Act.

As a general safe practice, when interacting with any online service, students should take care and avoid posting personal information or personal location that could be used to identify themselves or other persons.

Kindly return a copy of this letter to the office, signed and dated, before the end of September.

**Consent: I understand that the information my child may create and store could be stored in or accessed from a location outside of Canada, and I hereby consent, on behalf of me and my child, to my child's information identified above being stored in, or accessed from, a location outside of Canada.**

**This permission to use the tools indicated above is granted for the duration of my child's time in the Surrey School District.**
