

BCTF Anti-Bullying Presentation

Dear Riverdale Parents,

We would like to invite you to a free information event presented by the BC Teacher's Federation on March 10, 2020 at our school.

The presentation will be "Anti-Bullying", as selected by popularity on our PAC Facebook page. Below is a description of the presentation from the BCTF.

Anti-Bullying:

Bullying behaviours are no longer acceptable in our society and schools are working hard to do something about this. This introductory session on antibullying will include the definition, the bullying triad, the cycle of bullying, and the signs to watch for if your child is being bullied. Participants will also learn and share strategies for bully-proofing children and schools.

Past presentations from the BCTF have been very valuable and received excellent feedback from parents.

We hope you will join us for this 90-minute presentation!
