December 14, 2020

Dear George Greenaway Parents/Guardians,

I am writing to let you know that our school will not be reorganizing classes to accommodate our Blended Learners back in January. Fortunately, we have been able to integrate these students into our existing class organization. For our students who are continuing in Blended Learning, Ms. James, Ms. Urquhart and Ms. Spink look forward to continuing with you in January.

On Friday, our teachers and staff met to discuss this transition and we also looked at the learning goals, Social Emotional Learning supports and strategies and curricular objectives for the coming term. To our returning Blended learners, we are so looking forward to having you back full-time at school and we will be connecting with you directly to let you know the class that you will be joining in January.

I am so proud of the work that students and teachers have been doing this term. Each class has its own unique and special community and students are working and learning together with the ongoing support of their teachers.

This year has been exceptional in many ways and I know the possibility of a mid-year reorganization was a stress on many students and families. We look forward to having all of our students back after a well-deserved break for the winter holiday.

Thank you for your support and understanding during this process. We look forward to a new year that is filled with continued learning opportunities, new goals, activities and a safe and healthy year for all students, staff and families in our Greenaway community.

On behalf of the Greenaway staff, I would like to wish you and your family a restful, safe and happy holiday.

Sincerely,

Becky Copeland – Principal  
George Greenaway Elementary
