

Dear Parents and Guardians,

## IT'S BOOK FAIR TIME AGAIN!!

This is a great fund raiser that supports our school library and clubs.

### SAFETY FIRST!!

- This year we are holding it in the gym so students have room to space out.
- Entry to Fair is from outside Gym Doors. One Entrance, One Exit.
- There will be two debit machines so the payment lines can be spread apart.
- All visitors to the fair will be expected to sanitize their hands upon entering.
- Grade Four Students and above will be required to wear masks.
- All adults will be required to wear masks.
- All adults entering the fair will be required to sign in
- There will be directional arrows
- Students will be provided time to browse the fair during school time when they will have the opportunity to recommend books for the library.
- Only students intending to buy merchandise will be allowed into the fair during its operational times. This will help limit numbers.
- Numbers will be limited at all times to less than 100 which is below capacity and covid safe limits for school gyms.
