Dear Parent/Guardians

As many of you are aware, two new elementary schools are being planned for and constructed in the Clayton area. We are looking forward to the opening of Maddaugh Road Elementary and Regent Road Elementary, as these schools will provide beautiful new facilities in our community and relieve the overcrowding at Clayton Elementary, Hazelgrove Elementary, and Katzie Elementary. Attached, please find important information from the school district regarding upcoming boundary consultations, dates for community forums, and a link to provide feedback online. This is important information as setting the catchment boundaries for Maddaugh Road Elementary and Regent Road Elementary will change the current boundaries for Clayton Elementary, Hazelgrove Elementary, and Katzie Elementary. The boundary consultation period runs from November 6<sup>th</sup> until December 18<sup>th</sup>. We look forward to hearing your feedback. If you would like a hard copy of this information, it is available at the school office. If you have any question, please do not hesitate to contact me. You can provide feedback or ask questions via the dedicated consultation email address, [consultations@surreyschools.ca](mailto:consultations@surreyschools.ca).

Sincerely,
