6. **Reports**

I. Chair's Report

New Year, applied for gaming grant last year. Got approved for $4040.00 this year, still has to be transferred into the PAC account. Same PAC execs as last year, vacant positions for Co-Chair and DPAC.

II. Fundraiseing Coordinator Report

Popcorn Day: Was on Oct 16, 2026, raised $300.00 from it. Used new popcorn machine as well as had new popcorn bags/popcorn. Everyone loved the new popcorn; it was a huge hit.

Monster Mash: Start setting up today after this meeting. All grades will be attending together.

III. Treasurer's Report

In the PAC account we have $12,900.00 right now. Still have to minus the cheque for the popcorn machine from this amount ($2300.00) as it has not yet been deposited. After this deposit the amount will go down to around $10,000.00 in the account. Possibility in raising funds by increasing the number of hot lunches as that brings in the most income for this account.

IV. Principles Report

Pac Meetings: Have them alternating every month to help more parents attend.
Kids Behaviour in School: Kids showing different behaviours in music and library class. This could be due to new teachers in those areas. They have been told to be kind and respectful to everyone that enters this school.

Music Teacher: Working on a Christmas concert for this year

Boston Pizza: PAC is doing a great job with hot lunches, Boston pizza has been a huge hit with all the kids.

Fundraising Needs for School (2-to-3-year plan):

- Upgrade Technology: iPad and new laptops needed, $5000.00 for both.

- Library: Need newer more modern books, older books need to be changed and updated. Need to have more diverse books for the student population.

Asking for $5000.00 to help with this upgrade, even $2000.00 this year. Possibility of a list can be given to parents, and they can even donate books.

- Teacher funding for classroom: This was voted on through the gaming grant fund.

7. Old Business

I. Update – two exec positions available to fill still (Chair and Co-Chair)

8. New Business

I. Vote on $300.00 for teachers and $200.00 for non enrolling teachers. Total amount of $4082.00. Vote done anonymously. Motion made to vote in $4082.00 for teachers fund by Sahar, 2nd by Omi. Votes 11 yes in person and 3 yes via Zoom. Motion passed for funds.

Meeting adjourned at 9:46am motioned by Sahar, 2nd by Omi
