Job Title	Salary Range	Minimum English Level Required	Job Description and Duties	Requirements and Training	Training Options and More Info
Welder	\$20.00-40.00/hr	Foundational English 7	Welders and related machine operators operate welding equipment to weld ferrous and non-ferrous metals. A welder can be either an artisan or a precision production worker. This group also includes machine operators who operate previously set up production welding, brazing and soldering equipment. The great variety of work, techniques and work settings offered by this occupation may be appealing to those seeking variety in their day-to-day activities.	English 10 and Math 10 (Worplace Math 10 is best). Completion of secondary school is typically required. Welders do not need trade certification to work as a welder in B.C. However, there are three levels of welder certification available in B.C.: levels C, B and A. Level C certification is a prerequisite for level B certification, which is a prerequisite for level A certification. Interprovincial Red Seal Certification is available for welder levels B and A. Those who complete level C will receive an Industry Training Authority Certificate of Qualification.	<u>Work BC:</u> <a href="https://www.workbc.ca/Jobs-Careers/Explore-Careers/Browse-Career-Profile/7237#view-full-profile">https://www.workbc.ca/Jobs-Careers/Explore-Careers/Browse-Career-Profile/7237#view-full-profile</a> <u>Industry Training Authority Profile:</u> <a href="https://www.itabc.ca/program/welder">https://www.itabc.ca/program/welder</a> <u>KPU Welding Foundations Certification:</u> <a href="https://calendar.kpu.ca/programs-az/trades-technology/welding/welding-foundation-certificate/">https://calendar.kpu.ca/programs-az/trades-technology/welding/welding-foundation-certificate/</a>
Automotive Service Technician (Mechanic)	\$15.00-42.00/hr	English 11	Automotive service technicians, truck and bus mechanics, and mechanical repairers work on cars, buses, and light and commercial transport trucks. They inspect, diagnose, repair and service mechanical, electrical and electronic systems and parts of vehicles. Mechanical repairers do major repairs of, and replace, mechanical units on newly built motor vehicles.	Math 10 is required with a passing grade. People in these jobs typically go through two to three years of on-the-job training. Apprenticeships may begin in secondary school, through entry-level training programs at colleges and technical institutes, or by direct entry into the workplace.	<u>Industry Training Authority Automotive Service Technician profile:</u> <a href="https://www.itabc.ca/program/automotive-service-technician-ast-1-2-3-and-4">https://www.itabc.ca/program/automotive-service-technician-ast-1-2-3-and-4</a> <u>VCC Auto Service Technician Foundations Certificate:</u> <a href="https://www.vcc.ca/programscourses/transportation-trades/automotive-service/automotive-service-technician-harmonized-foundation/">https://www.vcc.ca/programscourses/transportation-trades/automotive-service/automotive-service-technician-harmonized-foundation/</a>
