6. Affordability Fund- Financial support to make school more affordable for families that need it most.

In late August, the provincial government announced [\\$60 million in one-time funding to school districts in B.C.](#) – including \$7.385 million to Surrey Schools – to make school more affordable for students and families.

Our district has now received this funding and has allocated amounts to all of our schools. Moving forward, these funds will be used to support families struggling with the rising cost of living due to inflation. We can use these funds at our school to ensure students can continue to participate fully in school, despite challenging financial situations. These funds can be used to help with school supplies, food and clothing costs, and additional fees so that students in need can take part in activities, such as field trips.

Families are encouraged to reach out to the office- Ms. Kaur, Ms. de Groot, teachers, or any other staff if any financial support is needed for school-based supplies or activities.

All information shared will be held in confidence.

7. Hot Lunches-Message from PAC. A special thank you to Kelly, Maggie, Tim, Cici, Jasmine, and Monica for volunteering their time and efforts in organizing, picking up, and handing out orders. We could not do this without your support!

- Panago Pizza

13. Daily Health Check

Staff, other adults entering the school, parents, caregivers and students should not come to school if they are sick. It is critically important to complete a daily health check.

A daily health check means a person checking daily to ensure they (or their child) are not experiencing any symptoms of illness (including but not limited to COVID-19 symptoms) before coming to school.

Nobody should come to school if they are sick or otherwise directed to self-isolate by public health.

14. Dress for the Weather

Fresh air and play is a very important part of your child's learning at school. It is also a wonderful opportunity for physical activity that helps brains to grow and learn. As much as possible, kids will be outside at recess and lunch, rain or shine so please ensure they have appropriate clothing.
