Intensive French for 2023-2024 – Registration information for Intensive French was due Friday March 3 @ 12:00 pm. Many thanks to the families that expressed interest. The program received more applications than we have spaces. Our team will be reviewing applications and completing our draw for registration next week.

Affordability Fund- Financial support to make school more affordable for families that need it most.

In late August, the provincial government announced [\\$60 million in one-time funding to school districts in B.C.](#) – including \$7.385 million to Surrey Schools – to make school more affordable for students and families. Fraser Wood has received its allocated funds. These funds will be used to support families struggling with the rising cost of living due to inflation. We can use these funds at our school to ensure students can continue to participate fully in school, despite challenging financial situations. These funds can be used to help with school supplies, food and clothing costs, and additional fees so that students in need can take part in activities, such as field trips.

Families are encouraged to reach out to the office- Mr. Chambers, Ms. de Groot, teachers, or any other staff if any financial support is needed for school-based supplies or activities. Please note, all information shared will be held in confidence.

Parent Information Sessions around digital well-being:

EVERY MONTH, WE HOST EVENTS FOR FAMILIES CALLED "IN THE KNOW". WE WATCH A VIDEO AND SHARE EXPERIENCES AND STRATEGIES THAT HELP IN THE HARD MOMENTS. WE HELP FOCUS ON STRENGTHENING OUR UNDERSTANDING AND CONNECTION WITH OUR KIDS.

A Conversation for Families About Digital Wellbeing & Mental Health

As parents it's not easy to know how much time on technology is too much and how to set boundaries that don't create conflict. Join us for a conversation with a digital wellbeing expert to learn some practical solutions to our everyday concerns and challenges around our kids' use of screens and their mental health.

Come together with other families to watch this 30 minute video presentation followed by a facilitated discussion by a FamilySmart Parent Peer Support

Litterless Lunches

Please send your child to school with a litterless lunch. The definition of a litterless lunch is simple. No garbage, no trash, no rubbish, no litter is left behind at school by students or staff. Please send a separate bag for composting and recycling in your child's lunch kit. Thank you in advance for supporting this initiative.

Health & Safety

Students are reminded to come dressed for the weather. With cool, rainy temperatures expected, bundling up with coats and having umbrellas may be a necessity. Fresh air and outdoor play are very important parts of the school day. Being outdoors is good for students physically and emotionally...aside from being a great time to socialize with friends. Remind students to make safe choices when it's rainy or muddy, and perhaps send an extra change of clothes along in backpacks in the case someone slips and falls. Thanks for your attention to this.
