### Interview Notes

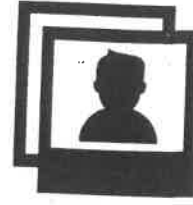

*Allison ate at Café*

*Today a few days ago.*

*A couple of days later,  
she was admitted to the  
hospital due to nausea,  
vomiting, abdominal pain  
and diarrhea. Allison  
stated that she waited  
longer than usual before  
going to the hospital  
because she thought it  
was the stomach flu.*

## ALLISON

CASE #1

### Additional Clues

*Allison stated that she thought  
the sandwich had a fishy odor,  
but it was tuna.*

*The cook stated that the tuna had  
been left out all day because  
many customers had complained  
about it being too cold.*

*Today a couple of days*

*ago. She was admitted  
into the hospital a few  
days later due to blurred  
vision, difficulty  
swallowing, speaking and  
breathing and weak  
muscles. Due to  
extreme complications,  
she died.*

## MELISSA

CASE #2

### Additional Clues

*The cook on duty stated that she  
ran out of fresh green beans so  
she used canned beans instead.  
She found the last can of green  
beans in the back of the pantry  
and it was dented. She stated  
that everything seemed normal so  
she used them.*
