

Cash Online Information October 7 2019

For some classes, we have posted field trips onto our cash online system. Please note that some of these fieldtrips have the option to pay for a parent's entrance fee. Some parents have mentioned that when viewing the field trip payment on a mobile device, you need to scroll down to see the extra option for the parent's fee. Please ensure you scroll down to see if there is a parent fee option. Once you pay for your child, you will not be able to go back into that item to purchase the parent fee.

Thank you,

Latimer Road Office
