

WE ARE ALL THE PAC...

Dear Fellow Parents of Prince Charles Elementary,

My name is Tamara Leitch and it is my sincere pleasure and privilege to serve as the Chair for Prince Charles Elementary School Parent Advisory Council (PAC) for the 2019-20 academic year. The words in capital letters at the top of this page were words I heard while attending my first PAC meeting 10 years ago.

At first, I wasn't sure I fully understood the words. However, upon further reflection and after participating and learning more (much more) about the PAC's purpose and role within our school community, the words meant more to me than I expected. And they inspired me to action. I have witnessed over the past 10 years how truly special our school community is. We are fortunate to have our children attend a school with an exceptional teaching faculty and administration team,

As parents, we all strive every day to ensure our children have what they need to be happy, healthy and successful in their wishes and pursuits. There is no joy greater than the knowledge and realization that our children are fulfilling their individual dreams.

The PAC works hand in hand with our school administration and teaching faculty to ensure that our children are afforded every possible opportunity to learn, grow and thrive in a challenging, nurturing and engaging academic environment.

I am very excited to be serving alongside a dedicated and truly amazing group of parent volunteers on the PAC Executive as well as the opportunity to work with our terrific teaching faculty and school administration.

I am most excited about getting to know more and more of each of you as members of our parent community. I strongly encourage you to attend a PAC meeting, to get involved in whichever manner you deem appropriate and to seize the opportunity we have in front of us to make Prince Charles Elementary even better than it already is.

I would love to hear your ideas and thoughts at any time and can be contacted at: (tleitch23@gmail.com).

Thank you all and remember...**WE ARE ALL THE PAC!**

Sincerely,

Tamara Leitch
