

CHANGING YOUR TEMPORARY PASSWORD IN MYED BC

If this is your first time logging into your MyED BC account, the below steps must be done on a computer, and not a mobile device.

1. Go to <https://www.myeducation.gov.bc.ca/aspen/logon.do>
2. Enter your username in the *Login ID* field. For students, this is your student #, and for parents, this is the email address you provided the school.
3. Enter the temporary password provided in the *Password* field and click the *Log On* button.

DO NOT copy/paste the password – the copy process sometimes adds a space. It **MUST** be entered exactly. It is case sensitive.

The screenshot shows the login interface for MyEducation BC Prod 2. It features a title bar at the top, followed by a 'Login ID' label and an empty text input field. Below that is a 'Password' label and another empty text input field. A blue link labeled 'I forgot my password' is positioned to the right of the password field. At the bottom left, there is a 'Log On' button with a right-pointing arrow icon.

4. The below message may appear. This is notifying that the temporary password must be changed. Click the *OK* button.

The screenshot displays a 'Password Requirements' dialog box with a red header and a red 'X' icon. The message inside reads: 'Your password has expired. Please create a new one.' Below the message is an 'OK' button with a checkmark icon. In the background, a portion of the password change form is visible, showing labels for 'Current Password', 'New Password', and 'Confirm New Password', each with an associated input field. At the bottom of the dialog, there are 'OK' and 'Cancel' buttons.

5. Enter the temporary password you were provided under *Current Password*. In *New Password* and *Confirm New Password* fields, enter a new password that observes the requirements indicated in the top portion of the pop-up.
