George Greenaway's 8th Annual Christmas Hamper Collection

Our George Greenaway Christmas Hamper Committee is organizing an event to collect items for families in need during the holiday season. From November 23th- December 4th we will be collecting new toys and toiletry items (toothbrushes, toothpaste, deodorant, soap, body wash, etc.) to support children at our school. If there are any extra items that aren't needed directly at our school, they will be donated to another Surrey school in need. If you are interested in donating a new toy, please bring in a toy at your child's age level. Non-perishable food items will also continue to be accepted at this time. Thank you for your continued support.

Sincerely,

The George Greenaway Christmas Hamper Committee
