Dear Erma Parents,

We wanted to reach out to you as unfortunately once again this year we are unable to hold our annual raffle basket event, which has taken place in past years on the night of the Christmas concert. With that being said, we still wanted to do something special for the students during this magical time of year.

This year, we will be holding a raffle specifically for our students. The PAC has created two gift baskets containing LEGO; one to be drawn for our primary students and one to be drawn for our intermediate students. Students can see these LEGO sets on display in the Office.

Raffle tickets are \$2 each. Please complete the form below and return it along with your money (in an envelope addressed to the PAC) with your child to school. The deadline to return your completed form and money is by the end of the school day on Wednesday December 15th, 2021.

The draw will be held on Friday, December 17th, the last day of school before the Winter Break.

Thanks for your support!

Erma Stephenson PAC
