

Class Organization Starting

Monday, September 9th, 2019

Thank you all for your patience while we have been working on the class organization this past week.

Important

On Monday morning at 7:30am, class lists will be posted on the rolling board outside the front of the school. Please find your child(ren)'s name on the lists. At the top of each list will have the teacher name, division and classroom where your child will be dropped off and picked up for the week. In addition, we will have staff members in orange safety vests that will also have class lists to assist you. School maps with will be posted in various locations at the front of the school.

Please note: there could still be a few minor alterations to these lists throughout the week.
