

Thanks to the generous funding of [Trinity Consultants Canada](#), the Clean Energy Association of BC (CEBC) is pleased to offer a scholarship of \$2,000 to a student who is interested in pursuing a future in clean energy at a post-secondary institution.

## **ELIGIBILITY**

Must be a Canadian citizen and BC secondary school student (full-time, currently enrolled) that is graduating in 2026.

## **APPLICATION MATERIALS**

1. Applicants must submit a 1–2-page paper in pdf format (approximately 500 words) responding to the following question:

**“Why is clean energy important to me as a young person in BC?”**

Please cite relevant experience with school projects or volunteer/community work and indicate any career or academic aspirations related to clean energy. Be sure to list the post-secondary institutions you have applied to, as well as any acceptances.

2. Applicants must provide **one** letter of reference. This could be from a teacher, employer, community representative, or coach. The reference letter should speak to your character and work habits.

3. Please include your contact information in the application (name, address, phone number, and e-mail).

4. Submit nomination by deadline, Apr 20, 2026.

**DEADLINE: MONDAY, APRIL 20, 2026** Please submit your application by email to [admin@cleanenergybc.org](mailto:admin@cleanenergybc.org)

The winner will be notified by early May 2026. The award will be presented at the CEBC Generate conference, during the awards presentation session on May 25 or May 26, 2026 (TBD).
