March 2021 Newsletter

On behalf of the Coast Meridian PAC Executive, thank you for the continued support of our PAC and our fundraisers for the 2020/2021 school year.

New Playground Announcement

We are extremely excited to announce that the Coast Meridian PAC is currently fundraising to expand our playground! Our goal is to add onto the current playground with additional equipment that will provide an inclusive place for the children in our community. Playgrounds are a great place for kids to develop physical, cognitive, sensory and social skills.

We have received district approval to expand our playground and are in the beginning stages of planning. Playgrounds are paid for by funds raised by the PAC, donations and grants we receive through different organizations. Below are the fundraisers we are planning for the remainder of this school year to help us towards our goal.
