SCHOOL DRESS CODE

According to Surrey School District Policy #9410 – Safe and Caring Schools; there is flexibility for schools to adopt a dress code that attempts to balance individual liberty, social convention, functionality, community standards and school community values.

At H.T. Thrift we believe that school should be treated as a “place of business”. Staff model, teach and prepare students for high school and eventually the world of work. We understand that children enjoy dressing to suit their individuality and we encourage this, within reason. Our expectations are:

- Clothing is free of negative, inappropriate symbols, pictures or slogans
- Beach wear (excessively short shorts, bare midriff and flip-flops) are not to be worn. Flip-flops are a tripping hazards.
- Undergarments are not to be visible
- Hats, caps may be worn in the individual classrooms, if the teacher approves. They ARE NOT to be worn in other areas in the school. Hoodies must not be pulled up over heads

Thank you for reviewing the above with your child. Together we can make a difference.

All visitors to our school are required to sign in at the office and receive a visitor badge. The School District has detailed procedures in place should an intruder or trespasser enter the building. Staff and students are familiar with these procedures.
