SD 36 WOULD LIKE TO SAY THANK YOU TO
THESE GENEROUS DONORS...

ASSAI (BC After School Sports and Arts Initiative)

\$138,000 will provide support to over 2,300 students, from across the district, in participating in sport- and art-based programs. These programs aim to help students develop skills that contribute to a healthy life through creative thinking and physical activity.

CANADIAN TIRE JUMPSTART

\$10,000 donated to the district's Summer Jumpstart Academy physical literacy program. The donation allows students at 5 elementary schools to participate in week long camps where students learn fundamental movement skills and the importance of healthy lifestyles.

COAST CAPITAL SAVINGS

\$55,000 has been donated to support three different programs. \$30,000 towards the REACH program, \$5,000 to the Building Foundations program, and \$20,000 to Refugee Supports. Refugee Supports ensures incoming refugee students are given the help that they need to acclimatize to their new environment, improve language skills and to understand opportunities available to them in their community, while also providing fundamental basic needs like food, clothing and shelter.

PARK RIDGE HOMES INC.

\$16,000 was generously donated by Park Ridge Homes Inc. to support the breakfast and lunch programs at Bear Creek Elementary and Bridgeview Elementary.

PLANT A SEED & SEE WHAT GROWS FOUNDATION

\$10,000 has been donated towards supporting four school gardens in our district. This funding will help in providing our students with hands-on learning opportunities and the chance to grow fresh, nutritious produce right outside the classroom.

RBC

\$50,000 was donated towards two different pre-employment programs. REACH and the Bike Repair programs each received \$25,000 in support. The Bike Repair program delivers work experience and training to youth in bike technician repair, bike retail sales and cycling safety to youth aged 15-18.

\$20,000 donation also helped provide 250 students across the district with new backpacks filled with school supplies for the upcoming school year.

RIGHT TO PLAY

\$28,000 was generously donated to continue the PLAY program at Beaver Creek Elementary. We are thrilled to continue our partnership with Right to Play in delivering the PLAY after school program.

TELUS COMMUNITY AMBASSADORS

600 school supply filled backpacks have been generously provided to students and families across the district on behalf of the Telus Community Ambassadors.
