SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

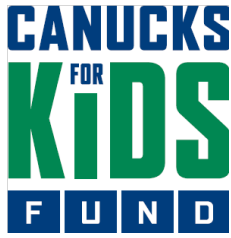

BACKPACKS

This year we noticed a substantial increase in the need for school supplies for students within the Surrey School District. Thankfully this year also brought together an amazing array of contributors, ranging from long-standing donors who have been consistently supporting us over the years, to new donors who have extended their assistance by providing school supplies for our students.

Our special and warm appreciation goes out to those who worked so hard to provide our students with much needed school supplies to begin their school year in a positive way knowing they had the supplies they need to grow and learn. Together these organizations raised over \$80,000 worth of backpacks complete with school supplies for Primary, Intermediate and Secondary school children.

CANUCKS FOR KIDS - \$40,000

Thank you to the Canucks for Kids Fund for their generous donation of \$40,000 towards our Canucks Community Ball Hockey Program. This is a unique opportunity for our learners to participate in safe, active, and fun activities that will be focused on hockey skill development.

HANNAH & AMELIA FOUNDATION

Our female-identifying after-school program *GIA* was supported by Hannah & Amelia's Angels Foundation which donated \$10,000 towards programming to inspire today's youth. The Foundation strives to assist females in reaching their goals while building confidence and having fun.

PARK RIDGE HOMES

The students at Bear Creek & Bridgeview Elementary continue to receive nutritious meals due to the ongoing support of Park Ridge Homes! Thank you for your generous \$22,000 donation to ensure that students have a breakfast and lunch to sustain them for the remainder of the school day.

PCI DEVELOPMENTS

PCI Developments continues to support five schools within our District to ensure students who are hungry during the school day, are met with a nutritious meal. The \$90,000 donation will be used to support the food programs at Georges Vanier, Old Yale Road, Lena Shaw, Forsyth Road, and AHP Matthew Elementary.

STAND FOUNDATION

This year, once again, we are grateful to the STAND Foundation for their donation of \$20,000 to our Learning Centres. With these funds we can continue to run the STAND Foundation employment training program supporting over 45 students in providing them with one or more pre-employment certifications and skills. These important certifications will assist students as they transition from secondary school to employment and post secondary.

JASON & DEB WUBS – WESTLAND INSURANCE

Thank you to Mr. & Mrs. Wubs for donating to \$120,000 to Old Yale Road, Forsyth Road, Westerman, and W.E. Kinvig Elementary. This generous support enables these four schools to enhance school-based essentials and address urgent and fundamental needs as they arise.
