SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

BC HYDRO POWER PIONEERS

A huge thank you to BC Hydro Power Pioneers for their book donation to J.T. Brown and Kennedy Trail Elementary. Our schools are inspired by your volunteers and the collections you make from bottle drives and used book sales throughout the year will go a long way in supporting a love of literacy in our students! Thanks for all you do in the community!

HANNAH AND AMELIA ANGEL'S FOUNDATION - \$11,250

Thanks to the support of the Hannah and Amelia Angel's Foundation, a generous donation of \$11,250 was made to Riverdale Elementary's weekend food program. This funding will provide weekly weekend food support to over 15 students throughout the school year.

PARTAP FOREST PRODUCTS - \$9,300

Weekend food support for students at Henry Bose Elementary would not be possible without the invaluable support of Partap Forest Products. Through their compassionate efforts, they organize, pack, and deliver weekly food hampers to provide 15 students with meals to eat outside of school hours.

SURREY FIREFIGHTERS NUTRITIONAL SNACK PROGRAM LAPTOP DONATION

A huge thank you to the Surrey Firefighters Charitable Society, Mayor's Evening of Giving, The Spence Foundation, and BC Technology for Learning Society for their donation of 75 refurbished laptops to Guildford Park Secondary! Students are thrilled to be able to access key technology that will support them in their education.

ZENTERRA DEVELOPMENTS - \$38,350

Zenterra Developments' ongoing support has made a significant impact on 4,000 students participating in the meal programs across the district. Their generous donation of \$38,350 will help us continue providing nutritious breakfasts and lunches to students in Surrey Schools. We are incredibly grateful for their continued support year after year.
