SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

JUMPSTART - \$50,000

We are deeply grateful to Canadian Tire Jumpstart for their generous \$50,000 gift supporting Fall programming at 34 schools across Surrey. Thanks to this funding, students have been able to stay active and enjoy welcoming spaces where they can learn and play.

We truly appreciate this ongoing partnership and the opportunities it creates for students throughout the year. Thank you, Jumpstart, for ensuring these programs remain accessible to all students!

CANUCKS FOR KIDS FUND - \$40,000

A huge thank you to Canucks for Kids Fund for their generous \$40,000 donation to the Jr. Canucks Floorball program in the Surrey School District. This funding supports after-school hockey sessions, camps, and tournaments for Grades 4-7 students (especially those who face barriers accessing extracurricular activities) helping them build physical literacy and teamwork.

This generosity ensures students can participate, belong, and thrive through sport.

PACIFIC CUSTOM BROKERS - \$20,700

Thank you to Pacific Custom Brokers for continuous support for Newton and Royal Heights Elementary. Their generous \$20,700 donation helps ensure students start their day with a healthy meal and that families get extra support when they need it most. Pacific Custom Brokers' kindness has a real impact on students' daily lives, helping them feel cared for and ready to learn.

We are so grateful for their continued commitment to our school communities and the difference they make for Surrey students.

ZENTERRA DEVELOPMENTS - \$15,300

We are abundantly grateful to Zenterra Developments and their commitment of \$15,300 to the Surrey School District meal program. This generous support brings a nutritious breakfast and lunch to many children across our schools and offers valuable energy for learning. The meal program fosters community among students and families and ultimately shows consistent care to those in need. Thank you, Zenterra Developments for being a shining example of how deeply that care is rooted.

SAVE-ON-FOODS - \$10,000

We want to extend a warm thank you to Save-On-Foods for taking on another year of partnership with the district's own Clubhouse36 after-school program. With a focus on food and nutrition literacy, Save-On-Foods has become a continuous pillar of support, making the educational, fun and reliable after-school program possible. They generously donated \$10,000 in gift cards to go toward healthy snacks and supplies for cooking activities, fostering better relationships with food that the kids will maintain throughout the years.
